Chapter 1

BOOK 1, CHAPTER 1111 – QUBE BYTES:
*FOR THE RECORD!

*LIBRARY OF CONGRESS CONTROL NUMBER:2022904632

This book is the first book in a series of books, by different authors wishing to explain how God fulfilled His promises to free the world of Satan and the Quantum technology our Lord Jesus Christ will teach all Mankind during His 1000 years reign of peace at our gates.

I have chosen the title of this book: BOOK 1, Library of Congress Control Number: 2022904632, because I have recorded many of the original documents, shown in this book, in the Library of Congress as official historic documents. Like the Holy Bible, this is a written record of God's truths, not a fictitious story book.

Each English speaking author, when approved, will be assigned a unique BOOK 1-Volume Number. 100% of the Book 1 authors must approve all subsequent authors in the BOOK 1 series.

Each Non-English speaking author, when approved, will be assigned a unique BOOK Number- Volume Number. For example, if the first University is Hebrew, it will be BOOK 2, Volume 1. To qualify, the Hebrew University must provide me with a Audio Book quality reading of my book; The Story of Our Life, Based on A True Life. 100% of the Book 2 authors must approve all subsequent authors in the BOOK 2 series. I will have no input on who the authors will be.

It has been a long standing understanding the spelling of cube and cubit is correct. In God's Quantum geometry technology, a Qube is equal sides of $1 = 9$ Qubes ($9/9$) or 10 Qubebits ($10/10$). In God's Quantum Computer technology, there are Qube Bytes. Unlike the present math, the largest whole number is 1, not an infinite number of whole numbers as we are taught now. All this is made clear in my book.

All American taxpayers and their family members estimate all the wealth that was stolen from them since 1915, and multiply by 7 (Proverbs 6:31, Example $\$1,000,000 \times 7 = \$7,000,000 + \$1,000,000 = \$8,000,000$). No documentation required at any time.

All American taxpayers must have the opportunity to put in their claim before a resolution may be issued.

First Step: Declare your intent to receive a resolution. Greetings Honorable University President:

The Lord has revealed to me, when He will fulfill his promise to return on His third day or the start of His thousand years reign of peace at your gate (2 Peter 3:8-9, 2 Peter 3:1-18, Genesis 6:3 and Daniel 2:35). Same as the Jewish descendance saved by God's closing of the Red Sea, all God's creations are being saved by a "Crimson (Red) Tide," metaphorically speaking, like in the Bay of Fundy Minas Basin, where the height of the tide can reach 16 meters (53ft). When the Red Sea suddenly closed, both good and evil people died. This time, God refers to a "Crimson Tide" to illustrate He is giving everyone time to repent, not wishing that anyone should perish. It was Satan's deception that the Bible does not say when our Lord Jesus Christ's shall return. By the Grace of God and through God's anointed modern day prophets, God told the world the exact date of Christ's return. Since the last prayer, at the end of the 1st Passover and end of Genesis 6:3's 50th Jubilee, God's beloved Jewish children have ended their last prayer with: Next year in Jerusalem. This is that year, on June 3, 2023, the beginning of Genesis 6:3's 121st Jubilee.

Revelation 20:2-7 ESV

The Thousand Years

20 Then I saw an angel coming down from heaven, holding in his hand the key to the bottomless pit[a] and a great chain. 2 And he seized the dragon, that ancient serpent, who is the devil and Satan, and bound him for a thousand years, 3 and threw him into the pit, and shut it and sealed it over him, so that he might not deceive the nations any longer, until the thousand years were ended. After that he must be released for a little while.

The "Crimson Tide" came in the form of the digital computers, blockchain Computers and the StarLink satellite communication system. Satan's dominions owned the patents and copyrights and were going to destroy Humanity with them. But by the Grace of God, God has made them usable now and they will be obsolete when the Christ Consciousness Base 2- Base 3 Spherical - Q:ube Quantum Computers are built.

The enclosed book, "The Story of Our Life, Based on A True Life.", contains copyrighted technology to design, build and program Christ's Quantum Computer.

All existing digital devices will continue to be used and will temporally interact with Christ's Quantum Computers. Even when all existing digital devices are being used, they will not or ever will be any artificial intelligence (AI) software be used, no personal information collected or used, device or system hacking, sending or receiving unsubscribed information and no money fraud, illegal transactions or theft of US Treasury gold backed currency credits.

The Second Constitutional Republic of The United States of America (USA) will be contracting the design, construction and programming of hand held and mainframe Christ Quantum Computers and Satellite communications systems to be securely used by all nations on earth. The designers and subsequent builders shall keep all royalty rights. However, the USA shall keep all patents and copyrights to maintain the security and trust of everyone on earth.

The true Quantum technology in my book and video, known by Dr. Albert Einstein and Nikola Tesla, shall be taught to everyone on earth. To get things started, I am offering the Universities

listed below the first opportunity to spread the knowledge in their native language. For example, if the Hebrew University of Jerusalem does not sign the attached contract by June 3, 2023, I will offer the opportunity to another Hebrew University. After June 3, 2023, I anticipate getting request to participate from every country in the world.

Free ebook and video downloads are available at www.piisthree.com and www.piis3.com under “Our Products.”

Please mail signed contracts to James N. Akins, Jr., PO Box 91, Fairhope, Alabama 36533-0091.

By the written word of God and the signs in the firmament of Heaven, it shall be known that no one, but everyone shall know the day and hour Lord Jesus Christ returns to start His 1,000 years reign of peace at our gates. Unlike the surprise closing of the Red Sea, God's justice shall be served, like the known time of a coming Crimson Tide, that shall destroy all that did not repent and the casting of satan into a pit for 1,000 years.

The end of the 120th Jubilee, described in Genesis 6:3 and Daniel 2:3, is marked by the end of the winter solstice, precisely between December 21, 2022 at 24:00 hour and December 22, 2022 at 00:00 hour Jerusalem time or the same day and hour Jesus was conceived 2,022 years ago. Jesus' birthday was at the end of the fall equinox, precisely between September 21, 2022 at 24:00 hour and September 22, 2022 at 00:00 hour Jerusalem time.

As God promised, the expiration date of the Babylonian Kingdom and the Great Restoration Jubilee shall be fulfilled in one day, marked by the end of the winter solstice, precisely between December 21, 2023 at 24:00 hour and December 22, 2023 at 00:00 hour Jerusalem time.

Final Testament – Rise of the Holy Spirit.

Biblical milestone dates:

December 21, 2022 – 24:00:00 midnight (Jerusalem Time)

- Blowing of the 4th Trumpet, marking 15 minutes until the end of “The Magador Bull Fight”. In The Magador, as told by Juan O’Savin , 15 Minutes in Heaven was December 21, 2022 – 00:00:00+ plus 91.5 days of 366 days or Spring Solstice. Blowing of the 5th Trumpet on March 20th, 2023 – 12:00:00. Then in Revelation 8:1 Jesus breaks the seventh seal at the blowing of the 6th Trumpet on April 7th, 2023 at 18.00.03, 2023 years after His Crucifixion. John says that, after this seal was broken, “there was silence in heaven for about half an hour.” This silence immediately follows the loud and jubilant songs of heavenly worship in chapter 7, making the absolute, sudden silence even more dramatic. There is something about the seventh seal that stops every mouth and silences all of heaven. The silence is broken by the Beginning of the Reign of our Lord Jesus Christ.
- End of the 120th Jubilee (6,022 years since God’s Creation of Adam) (Genesis 6:3)
- God destroys the 4th Evil Kingdom, ... it shall break in pieces and consume all these kingdoms, and it shall stand for ever (Daniel 2:35, Daniel 2:40 – 2:44). The last Kingdom is an everlasting Kingdom (Daniel 7:18; Daniel 7:27).

December 22, 2022 – 00:00:00+ past midnight (Jerusalem Time)

- 2022th Birthday of Lord Jesus Christ
- Beginning of Lord Jesus Christ’s Reign on His 3rd day (Daniel 2:35), ... "But do not overlook this one fact, beloved, that with the Lord one day is as a thousand years, and a thousand years as one day. The Lord is not slow to fulfill his promise as some count slowness, but is patient toward you, not wishing that any should perish, but that all should reach repentance." (2 Peter 3:8-9)

Revelation 8:1- Revelation 20:2-7 ESV

The Thousand Years Reign of *Our* Lord Jesus Christ

20 Then I saw an angel coming down from heaven, holding in his hand the key to the bottomless pit[a] and a great chain. 2 And he seized the dragon, that ancient serpent, who is the devil and Satan, and bound him for a thousand years, 3 and threw him into the pit, and shut it and sealed it over him, so that he might not deceive the nations any longer, until the thousand years were ended. After that he must be released for a little while.

April 7, 2023 – Sunset 6PM+ 3 seconds (Jerusalem Time)

- As the apostle John relates an extended vision of God’s throne room, he describes the Lamb on the throne who is handed a scroll with seven seals (Revelation 6). The Lamb (Lord Jesus Christ) proceeds to break open the seals one by one. After each seal is opened, a judgment occurs on earth. Then, “when he opened the seventh seal, there was silence in heaven for about half an hour” (Revelation 8:1) (Silence in heaven for about half an hour, because only our Lord Jesus Christ knows the exact time of his second coming and the sounding of the 7th Trumpet. About 30 Minutes in Heaven - April 7, 2023 – Sunset 6PM+ 3 seconds (Jerusalem Time) plus about 183 days or around October 09, 2023. After the half hour of silence, the seven trumpet judgments begin (Revelation 8:6—9:21; 11:15–19).

- There are 120 Jubilees in Genesis 6:3, each 50 years ends with a 1 year Jubilee (Group of 7 years, like a week, times 7 equals 49 years plus 1 year of Jubilee equals 50 years. 6,022 years since God's Creation of Adam. The 22 years accounts for the spiral of 6000 years plus spiraling of time between 366 days to 365 days in 4 years, then 365 days to 366 days in 4 years.) (Genesis 6:3)
- Our Lord Jesus Christ was born at the start of the 80th Jubilee December 22, 0000 just after midnight 00:00:00+. The end of the 120th Jubilee (6,022 years since God's Creation of Adam) (Genesis 6:3) was on December 21, 2022 at 24:00:00
- This important feast gets its name from the fact that it starts seven full weeks, or exactly 50 days, after the Feast of Firstfruits. Since it takes place exactly 50 days after the previous feast, this feast is also known as "Pentecost" ([Acts 2:1](#)), which means "fifty." At the end of time end times, the Feast of the Pentecost takes on the marking of the end of negative 120 Jubilees ($7 \times 7 = 49 + 1 = 50$ years \times 120 Jubilees = 6000 or 1000 years to Christ is like 1 day. The same as God created the earth in 6 days and rested on the 7th day. After the first Passover, the first day of the Feast of the Pentecost is the day after the 7th day of the Passover.

2022 (-)120th Jubilee – 1st day of 2022 Passover and Good Friday was on April 15, 2022 – Sunset -18:00:03.

2022 (-)120th Jubilee – 7th day of 2022 Passover was on April 22, 2022 – Sunset.

2022 (-)120th Jubilee – 1st day of 2022 Feast of the Pentecost started on April 22, 2022 – Sunset.

2022 (-)120th Jubilee – 50th day of 2022 Passover or Day of Jubilee was on June 5, 2022 – Sunset.

- Our Lord Jesus Christ was born at the start of the 80th Jubilee December 22, 0000 just after midnight 00:00:00+. The end of the 120th Jubilee (6,022 years since God's Creation of Adam) (Genesis 6:3) was on December 21, 2022 at 24:00:00 at midnight.
- The start of the (+)1st Jubilee was on December 21, 2022 at 00:00:00+ after midnight (Daniel 2:35, Daniel 2:40 – 2:44). The last Kingdom is an everlasting Kingdom (Daniel 7:18; Daniel 7:27).

I must apologize to Sir Isaac Newton for the uneducated statements I made in my book about him and his life's work. Sir Newton and I had three things in common; 1. We are just men of science that knew God is real and the Holy Bible is the written words of God. When the Holy Bible is decoded, it reveals the true Quantum mathematica, astrology, Quantum Computers and software and physics of God's creations. Sir Isacc Newton sums up what I am saying in his two books: ****"Philosophiae Naturalis Principia Mathematica." In short, my perception of Newton's Calculus, as a lie or evil was wrong. Because, God wanted Satan and his dominions to think Newton's Calculus, as I point out in my book, was their means to rule over and destroy God's Creations through their creations; digital computers and Blockchain Quantum computers. They were wrong: God's Holy Bible WON!; 2. Both Sir Isaac Newton and I both came to the same conclusion, the Holy Bible recorded the True Advanced Technology that existed during the days of Moses and Noah. Sir Isaac Newton, Dr. Albert Einstein and Nikola Tesla were geniuses. However, most importantly they were profits in their days that 100% followed God's will through their Faith. Faith in God's will and Our Lord Jesus Christ is what we four guys have in common. and; 3. Our mothers do not understand us and God's plan for our life's contributions to Humanity. My mother thinks I am crazy.

Foreword by Norma Ramos Quintero:

James N. Akins, Jr. has traveled and worked in more than 40 countries all over the world with the United States government. A man well-traveled certainly has a lot to say, and in his story, *The Message in a Bottle: Norma, I Now Know*, James captures his true-life close to death experience and vividly lets the reader in on some flashbacks and stream of conscience moments that will keep you reading till the last word.

I dedicate this book to God, Christ, the Holy Spirit Mary, Mother of Jesus and my Angels that saved my life with their words of truth and support: Dr. Ann Loudon Severance, Norma Ramos Quintero, Dr. Stephen E. Winston, MD and Jeffery J. Pappas, MSW, LICSW, PIP.

Until death did we part on April 22, 2020 my Angle Dr. Ann Loudon Severance, PhD. God sent you to me to help Him prepare the world for His Son's return on the day of the 120th Feast of the Jubilee, December 22, 2022, but you knew that 30 years ago. You knew I was not living up to my potential and you could not go where I would be going for God. The world owes you their love for your unwavering faith in God's promises. Please forgive me for ever making you unhappy. Keep on dancing and say hello to Ruth and my father for me.

THE STORY OF OUR LIFE, Based on a True Story -

THE MESSAGE IN A BOTTLE - NORMA, I NOW KNOW

Dear Norma,

I just wanted to wish you a very Merry Christmas and tell you how grateful I am that God put you, your family and all my new friends in my life this past year. Through faith in God and all the prayers from all my new friends and family, I can once again feel who I am, the good and the bad. As you know it's been a day-to-day struggle fighting back the thoughts that I may once again lose my mind by thinking about every moment of what happened to me this past year. So, this is the last I will speak of it.

The Story of Our Life is like a book Based on a True Story. On July 4th, due to days of no sleep because of mental stress, and an over active thyroid, I had convinced myself that I would die on July 4th, at sunset - exactly 6 PM and three seconds, somewhere along the equator from a bullet through the heart.

I thought back to the second grade about the dark-haired brown eyed girl that was standing next to me in the class picture. I cannot remember her name now, because she only lived there that one year. One day our class went on a field trip to a chicken hatchery and ice cream making factory. My mother went on the trip with us and the dark-haired brown eyed girl was my walking partner, so we had to hold hands the whole time. We never spoke, because I was very shy and thought I was ugly. But, I thought that she and my mother were as beautiful as movie stars. In my family, we did not hug or kiss, but I could always feel in my heart the love from my mother and father. However, for the first time in my life, I felt in my heart what real love might feel like by just holding the hand of a stranger. When the day ended, I wondered what it would feel like if my mother and the dark-haired brown eyed girl would have kissed me Goodbye on the cheeks at the very same moment. Then I thought, my heart would have surely exploded in a flash of light. So, if it is God's will that I die young like my father, let me feel no physical pain - like so many people endure everyday with only the faith that the pain and suffering will one day stop, if they just keep breathing. But, let my heart go on at the speed of light, God's light.

I thought back over all the things I have done, good and bad, all the places and things I have seen and people I have met and how I never felt real pain or been afraid, except when my father died. I now know that his heart was always there with me, to protect me and keep me from physical harm and the people that would try to stop me from doing my job to help stop other people's pain and bring joy in their life. The only time that I felt that God had forsaken me was when I was removed from the Haiti tour and ordered to go to Nuevo Laredo, Mexico. I was very wrong, because I would not have met you - One of only two people on earth that could recognize the pain I was feeling from losing my faith in God and man.

Then, I thought about the day in Haiti where I spent the day at an orphanage of about 30 children. I was there with a dark-haired brown eyed woman I met in the Washington office. Then by chance, we worked together again in Haiti. I was terrified, what do you do with so many kids that only spoke French. Then I thought about what my niece liked, she liked to be thrown in the air. So, for 3 hours, I was throwing kids in the air and turning them upside down.

One little boy, that looked like a miniature boxer, pushed his way to the front of the line. When he got there, he looked up at me, extended his arms and smiled. No one in line got mad that he had done this. My friend was leaving Haiti, so this was a going away party for her. She wanted me to come back to the orphanage later to install some playground equipment and make sure the kids got their new mattresses. While eating our cake, a dark-haired brown eyed three-year-old girl sat down next to me to eat her cake. She looked over at me, rub the hair on my head, laughed and went back to eating her cake. While we were eating our cake, the older children got up in front of the room and started singing songs to say goodbye to my friend. The little dark-haired brown eyed girl started singing along in perfect pitch, much better than the older kids at the front of the room.

Six months later the gymnasium equipment arrived. I went out with a group of four or five people and we put the equipment together. For the whole time that we were there working, there were no children out playing. When we finished, the kids were let out and I was hoping to see the little dark-haired brown eyed girl and the little boxer's shaved head, but, none of the girls came out only the little boys. I was tired and hot, so I sat down on the wall next to the playground gymnasium. Finally, he came out. His hair had grown out. It was a light brown and his belly was swollen from malnutrition. He sat down next to me and without a word, he put his hand on my hand and we sat there for a moment. When it was time to go, I hugged him and left.

I could have phoned you and you would have gotten my message at the speed of light. But, I was sure that the people trying to kill me would find me and kill me before I tell you that I could prove to you that there is a God and that all our hearts go on after death until infinity. Even nowadays, if a note in a bottle is thrown in the water, in time, someone might pick it up on some distant shore and get the message to you. So, I hand wrote the message where you would know it was from me. This is what the note said:

July 4th - Somewhere along the equator at sunset, a running man appears carrying a dark-haired brown eyed girl. At the very same moment a bullet pierced his heart, the little girl kissed him on the cheeks, as they fell to the ground in the darkness, a man's voice is heard:

RADIO ANNOUNCER—Happy New Years. I have a special request to read a note found on a Gulf of Mexico beach in a tequila bottle.

RADIO ANNOUNCER—This note reminds me that my brother once accidentally drank a full bottle of tequila toasting colleagues, alive and dead, and ended up imagining he could exceed the speed of light, at least in the first quarter mile.

Well, this song goes out to all our Brothers and Sisters that have put themselves in harm's way to make our life better, and will not make it home this New Year. On a personal note, I want to thank God and his sweet Angels for bringing my Bubba home safe this past year.

Our next song is from Norma, our favorite beautiful Dark-haired Brown Eyed girl singing her latest hit: *My Heart will go on*.

Song—Every night in my dreams, I see you, I feel you, that is how I know you go on.

Chapter 2

NORMA, I NOW KNOW what happens to Mass if it Exceeds the Speed of Light.

In the YouTube video, you sent me; [There Is A God - Lee Ann Womack](#), there is a picture of Dr. Albert Einstein [Footnote No. 1]. When I viewed the video, I had not slept for week and I was thinking about nothing but, how to explain to you; “What happens to mass if it exceeds the speed of light?” I thought, how could God let him tell the world the scientific formula for the Atom Bomb and how could he ever smile again after he saw the how many humans died and the subsequent “Cold War” that followed [Dr. Albert Einstein died in 1955 the year after I was born.] The whole world believed Dr. Albert Einstein's formula “ $E=mc^2$ ” was the key to how the Atom Bomb works. Before they set off the first Atom Bomb at White Sands, New Mexico [I worked a few miles from there in Alamogordo, NM.] the scientist thought the Atom Bomb would cause a chain reaction in the atmosphere and destroy earth. Well, the world did not blow up, but more than 115 thousand humans were killed or deformed from the two bombs that were dropped on Japan [Fortunately, millions of humans were saved by convincing the Emperor of Japan to stop the War.]

So, I broke Dr. Albert Einstein's formula down by defining each of the letters and making a sentence out of them to see if the formula made any sense:

E [ALL THE ENERGY IN THE UNIVERSE] = [EQUALS] **m** [ALL THE MASS IN THE UNIVERSE] (In physics, mass is a property of a physical body, is often seen as spherical because it is such a fundamental quantity that it is hard to define in terms of something else.) times **c²** [c = CONSTANT SPEED OF LIGHT times c = CONSTANT SPEED OF LIGHT.]

The first of two atom bombs that exploded over Japan was called “Little Boy,” its design used the gun method to explosively push 38.5 (85 pounds) kilograms hollow cylinder of sub-critical mass of uranium-235 1.100 meters (42 inches), by means of four cylindrical silk bags of cordite (Burn rate 1,000 meter second), into a “target” 25.6 (56 pounds) kilogram solid target cylinder together into supercritical mass, initiating a nuclear chain reaction.

To this date, physicist express “ $E = mc^2$ ” as the dynamic equation for calculating FORCE to measure the ENERGY of the atom bombs. So, now the sentence reads: E [FORCE = JOULES (38,500,000-kilograms times meter² per second²) = [EQUALS] m [38.5 kilograms mass] times c^2 = a (acceleration) [1,000 meters per second times 1,000 meters per second or 1,000,000-meter² per second².] 38,500,000 Joules is a far cry less than 38.5 kilograms mass times c^2 (Constant Speed of Light² = 89,875,517,873,681,800-meter²/second²) or 3,460,207,438,000,000 Joules.

As anyone can see $E = mc^2$ is not the same Dynamic equation as $F = ma$, because no explosives on earth can propel a mass into another mass or implode one mass into another mass at 89,875,517,873,681,800-meter²/second².

Mass has two states of existence; Stop or Static and Moving or Dynamic. If one simply changes the Dynamic Force and $E=mc^2$ equations to Static equations by removing the movement of acceleration and Constant Speed of Light² the Force equation would read; mass (kilograms) = mass (kilograms) and Einstein’s equation would read; ENERGY = MASS ($E=M$), therefore, it is a false assumption that the two Dynamic equations are equal.

Did Dr. Einstein mislead the scientific community by not openly addressing the meaning of his equation as I just did? I do not think so, because he used a small letter “m” in his formula to represent a quantity of mass less than “ALL THE MASS IN THE UNIVERSE”. I believe any high school math student knows the difference between a Static equation and a Dynamic equation and how to check one’s work. Norma, I now know what $E = Mc^2$ (Big letter “M”) means.

“If you knew the magnificence of the three, six and nine, you would have a key to the universe.” – Nikola Tesla

Even if he did not know, the formula $E=Mc^2$ clearly defined the magnificence of 3, 6, and 9. His formula could have also been written: $(E=M)$ [rotating sphere of magnetic sphere s] = $\frac{1}{2} (E=M) (c) \cdot \frac{1}{2} (E=M) (c)$. Also, I have mathematical proof that $\pi = 3$ not 3.14.

The information in Chapter 3, may lead to more efficient power generation and electric motors, faster computers, more efficient computer operating systems and memory storage, Big Bang Law, String Law, and Law of General Relativity, cure for cancer, define Black Holes, fine more Goldilocks planets and how to communicate with other planets.

Norma, I now know it is God’s law that no mass may exceed the speed of light and Dr. Albert Einstein could smile and be happy, because of his faith in God’s love for him and the lives he did help save during such a horrific time in human history.

Greetings honorable Physicist,

"If you knew the magnificence of the three, six and nine, you would have a key to the universe." – Nikola Tesla

Even Albert Einstein did not know, although his formula $E=mc^2$ clearly defined the magnificence of 3, 6, and 9. Since Einstein was associated with the destructive force of the atom bomb, the world believed his formula could also be written:

Energy (E) = Force [kilogram (kg) times meter (m)²/second (s)²] = Mass (m) [kg] times c^2 (constant speed of light) [89,875,517,873,681,800 m²/s²]. If one changes this to a static equation it would state $kg = kg$, therefore, this is a false assumed meaning of $E=mc^2$.

However, if one just removes c^2 from $E=mc^2$ you have a static equation that states Energy (E) = Mass (m). Now if one makes this a collision equation, one must acknowledge the word "constant", which means, change "+" with "x" (times).

Therefore, $(E=M)$ [rotating sphere of magnetic spheres] = $\frac{1}{2} (E=M)$ (c) times $\frac{1}{2} (E=M)$ (c)
Also, I have mathematical proof that $\pi = 3$ not 3.14.

THE STORY OF OUR LIFE, based on a Treehouse
THE MESSAGE IS A BOTTLE, MOMMA I'VE FOUND

Chapter 3

I now know..., written by James N. Akins, Jr.

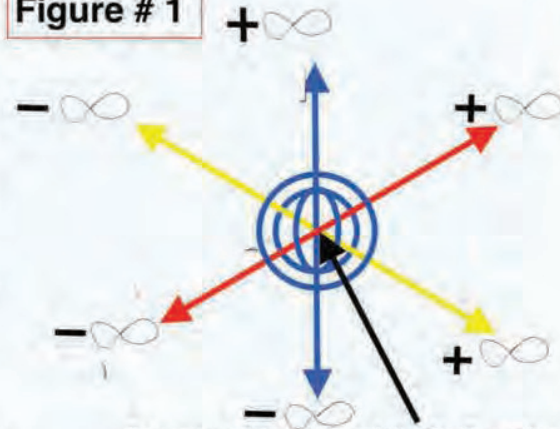

Figure #1 is the present understanding of the meaning of $E=mc^2$, it is wrong: 1. The symbol for infinity ∞ and the definition of infinity (also known as Forever) is wrong. The symbol for Infinity means; "Negative Infinity = $\ominus\infty$ = Positive Infinity", whereas, Positive Infinity minus Negative Infinity = Pi (Not Forever). 2. Physicists believe $E=mc^2$ (Energy=mass times the constant speed of light squared) is equal to $F=ma$ (Force=mass times acceleration). These are both Dynamics equations. By making them Static equations, i.e. $E(\text{Energy})=m(\text{Mass})$ is equal to $(F)\text{Force} = m(\text{mass})$ these are not equal equations, because Force is just Mass without movement.

432 Hz – Unlocking The Magnificence of the 3 6 9: The Key To The Universe.

It just happens that the constant speed of light is 432 cubic handbreadths squared, or 186,624 miles per second, not the "measured Speed of Light" and verified by Music Standard tuning frequency of Verdi's 'A' = 432 Hz (also, the frequency of red light.)

432 (4+3+2=9) divided by 12 = 36 (3+6= 9) A circle is 360 degrees in interior angles. Divide 360 by 10 parts is 36 degrees each part. 360 (3+6+0=9) degrees divided by 12 (1+2=3) hours is 30 (3+0=3) degrees.

Figure # 1

Present understanding of the Big Bang theory is $E=mc^2$ caused the Big Bang, whereas, there was an explosion that cooled down and formed the Universe into infinity in all directions from 0.

In order for $E=M$ or Energy = Mass they must be the same thing and they must be definite in size not indefinite or unlimited. For example humans believe that in the Universe, it is possible to have something smaller than the smallest and larger than the largest. This is not true in our Solar system. The Universe outside our Solar System is made up of their own $E=Mc^2$'s. Energy is the same thing as Mass because the smallest particle is a magnetic solid sphere that started out as a large solid sphere made up of the smallest magnetic spheres.

Total Mass = Energy magnetic sphere in the Solar System composed of only the smallest magnetic spheres of equal size, mass and energy.

One cubic centimeter of water is one gram (Mass). The measurement unit is not significant, only that all sides are equal in length and water's mass is exactly equal to 1. Place 1 gram of water in a vacuum to form a sphere, like in the International Space Station. The actual length of the diameter is 1 measuring unit according to the geometry of a circle and not 1 centimeter. Since Mass is equal to Energy, the energy maybe be measured in 1 gram of water and the diameter of the smallest spheres may be determined.

Figure #7 Geometric three-parameter x,y,z axis model.

Wikiquote states that three-dimensional space is a geometric three-parameter model of the physical universe (without considering time) in which all known matter exists. This is not true because all matter would be measured from Zero (0) point of the universe.

The size and shape of anything in the physical universe or even time would not be of any concern except for the creation of the human being. Every human being is the center of the physical universe and human eyes measure three-dimensional space as digramed below.

According to Leonard Euler's Basel problem formula : Divide the diameter into 10 equal parts with 0 at the observer, whereas the brightness at 1 is $1 + 1/4$ brightness at 2, $+ 1/9$ at 3 $+ 1/16$ at 4 $+ 1/25$ at 5 $+ 1/36$ at 6 $+ 1/49$ at 7 $+ 1/64$ at 8 $+ 1/81$ (= 0.0123456789) = $\pi^2/6 = 3 \times 3/6 = 9/6 = 1.5$ (1 + 5 = 6).

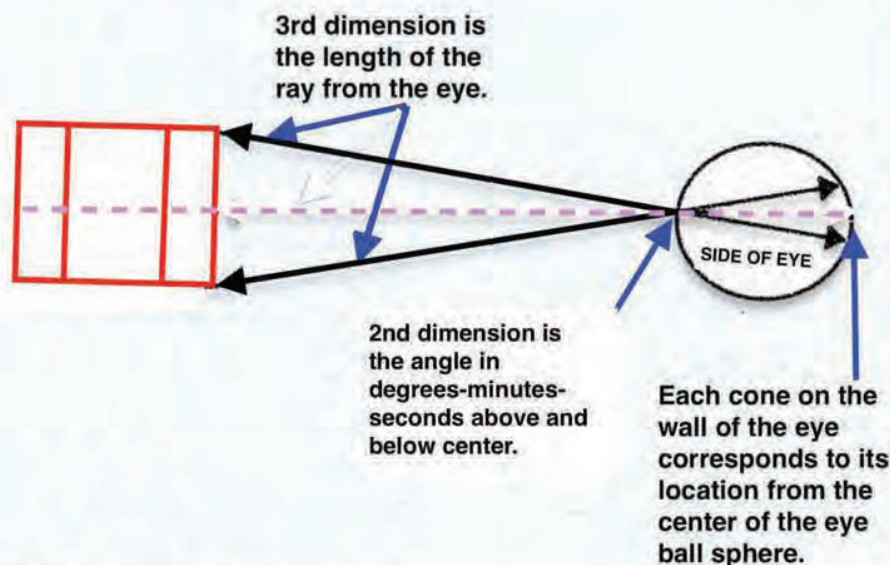

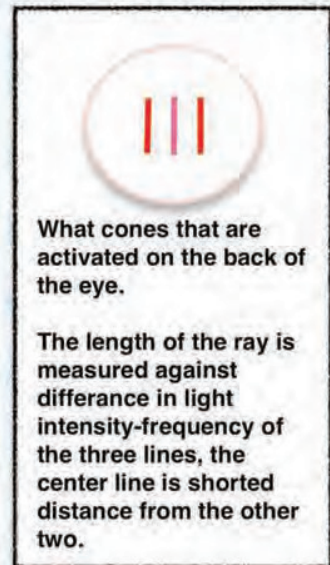

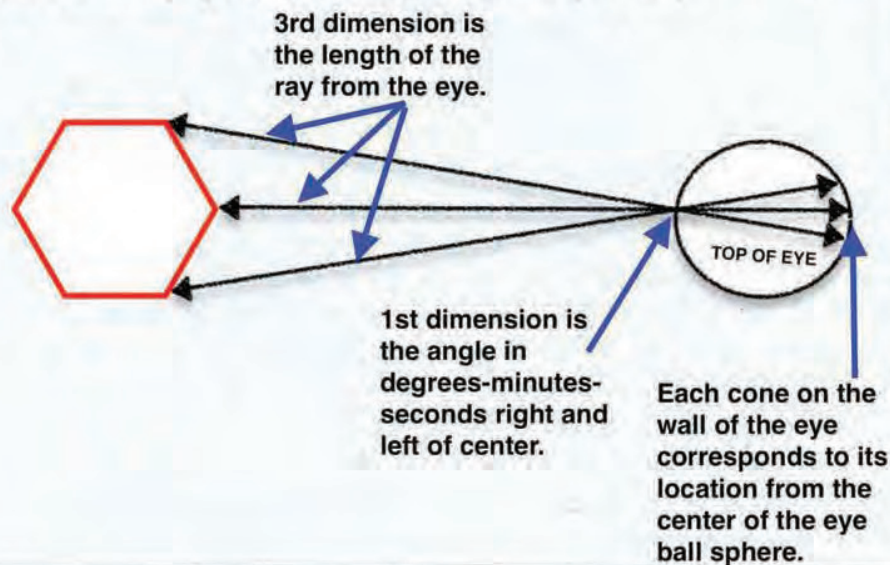

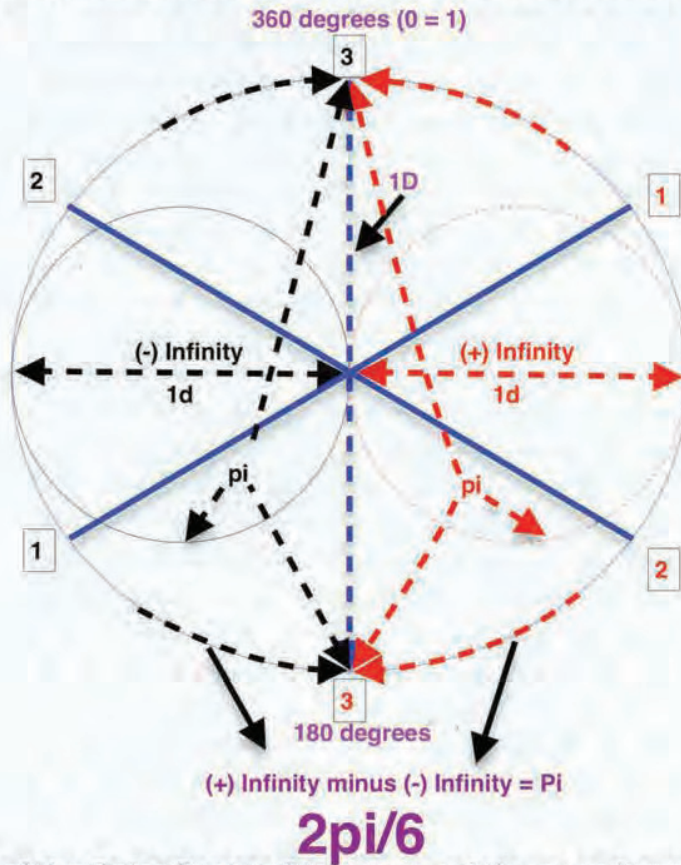

Figure #8 $E = Mc^2$:[1 = 0], [2Pi/6], [Pi = 3], [(+) Infinity minus (-) Infinity = Pi]

Reference Figure #6 below, The 'Point of Big Bang' is [0 = 1] because it starts at 0 and goes 360 degrees in the clockwise direction back to the same point that is now 1, then it is 0 again and goes 360 degrees in the counterclockwise direction back to the same point that is 1 again. In both cases it is 1 full revolution equaling a distance of Pi for each circle with a diameter of 1d. Disconnect at 1 = 0 point and move top 1/2 up 1d and bottom 1/2 down 1 d. Divide the 2pi circle into 6 parts as indicated by the blue lines. See diagram below.

This is the order of the Solar System/Universe and the meaning of $E = Mc^2$. This is mathematical proof that Pi is equal to 3 not 3.14, the diameter of any circle is 1 and is always a ratio of 1 to 3. The actual physical length of the diameter of any circle does not change a circles geomeery because the radius of a circle is always 0.5 the physical length of the diameter and a circle is divided into 360 individual degree of equal length along the circumference of the circle.

Father=God=O

Daily Time Cycle of Earth is mathematical proof that $E=Mc^2$, $2\pi/6$, $0 = 1$, $\pi = 3$. Every day a single point on the Earth's equator meets sunrise at 6 AM travels 12,000 miles at 1,000 per hour and 180 degrees to meet sunset at 6 PM +3 seconds (The Blue Circle represents the magnetic flow in the earth, the earth slows down 3 seconds after 6 PM for the magnetic flow and flux field to change directions. The point continues another 12,000 miles and 180 degrees to return at sunrise at 6 AM. The three seconds is regained from Sun's solar energy and the change back to clockwise magnetic field and flux field. Since Pi is 3 and the point returns in 24 hours it must be maintaining a constant speed of 1000 miles per hour and the diameter of the earth must be 8,000 miles.

The constant speed of light is 432 (4+3+2=9) hertz squared per second or 186,624 (1+8+6+6+2+4=27 or 2+7+9) miles per second. Light travels 16,124,313,600 (sum=27 or 2+7=9) in 24 hours, therefore, 1 second of earth's rotation is the same as 1 second constant speed of light. Since the time is constant the length of one of the 24,000 miles circumference and 1 mile of the 8,000 miles of earth's diameter are the same length of a mile light travels in 1 second.

Combined with the above diagram for $E=Mc^2$, the diagram on right is mathematical proof God created the universe in 6 days (360 days around a circle and 6 days (24 Years) traveling in a spiral.) and rested on the 7th day (4 Years).

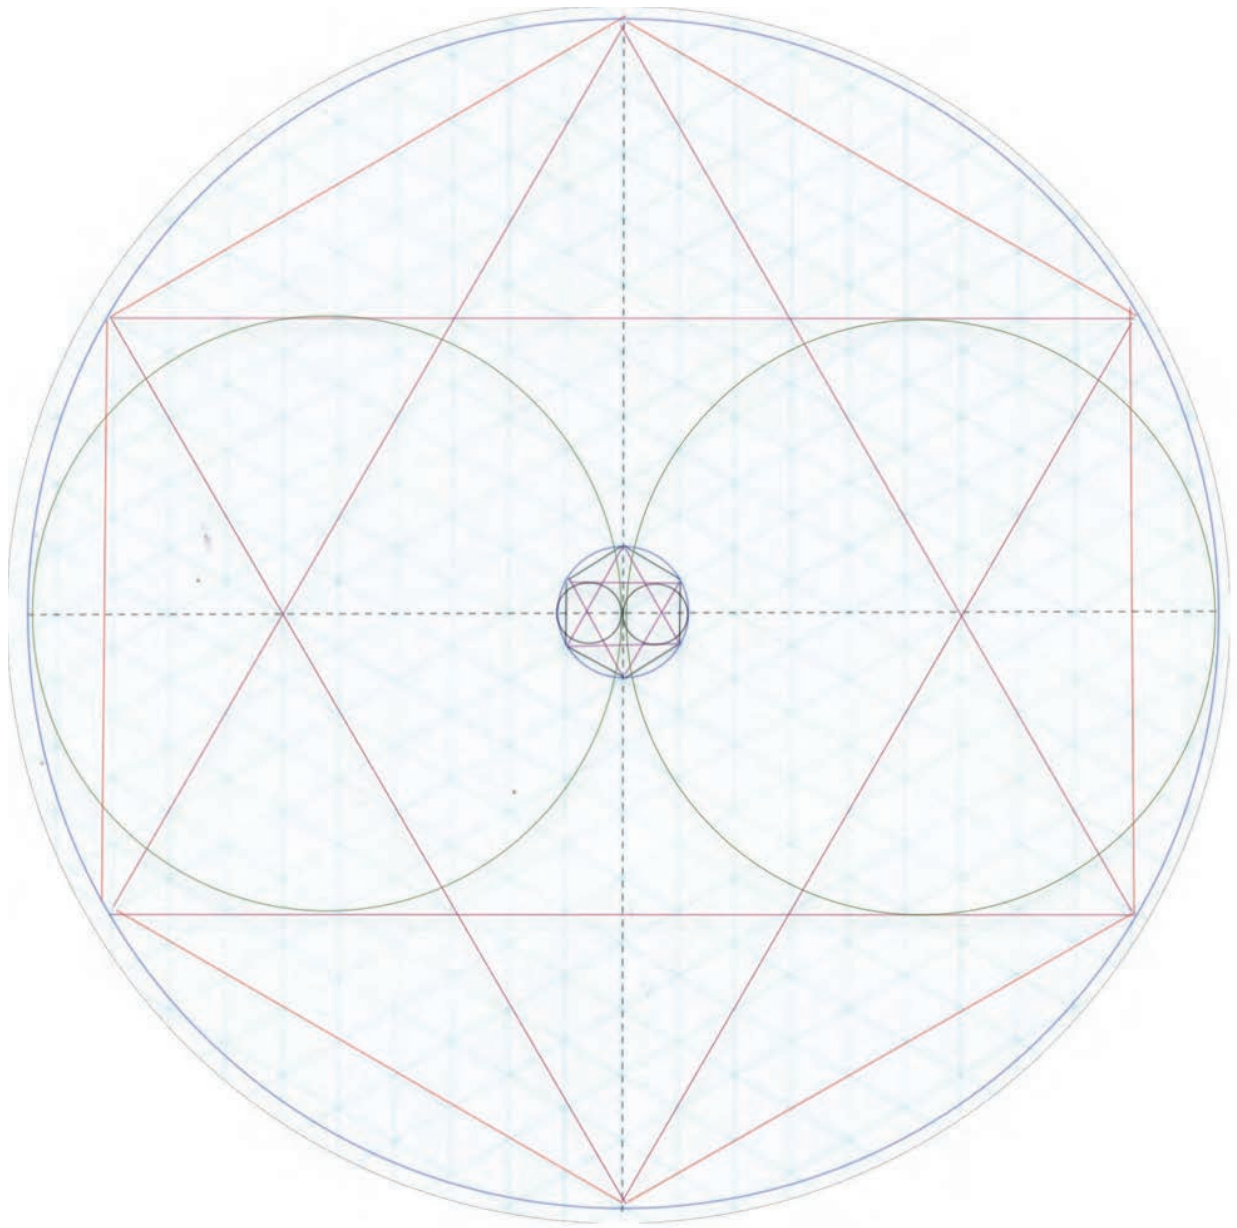

Every 4 years on leap year we add 1 day. This is not possible because the Earth would have left the Sun's gravity pull a long time ago. The earth is able to stay in orbit of the Sun by being pulled 1 day closer to the Sun then resisting its gravity to reach maximum orbit of 366 days every 8 Years.

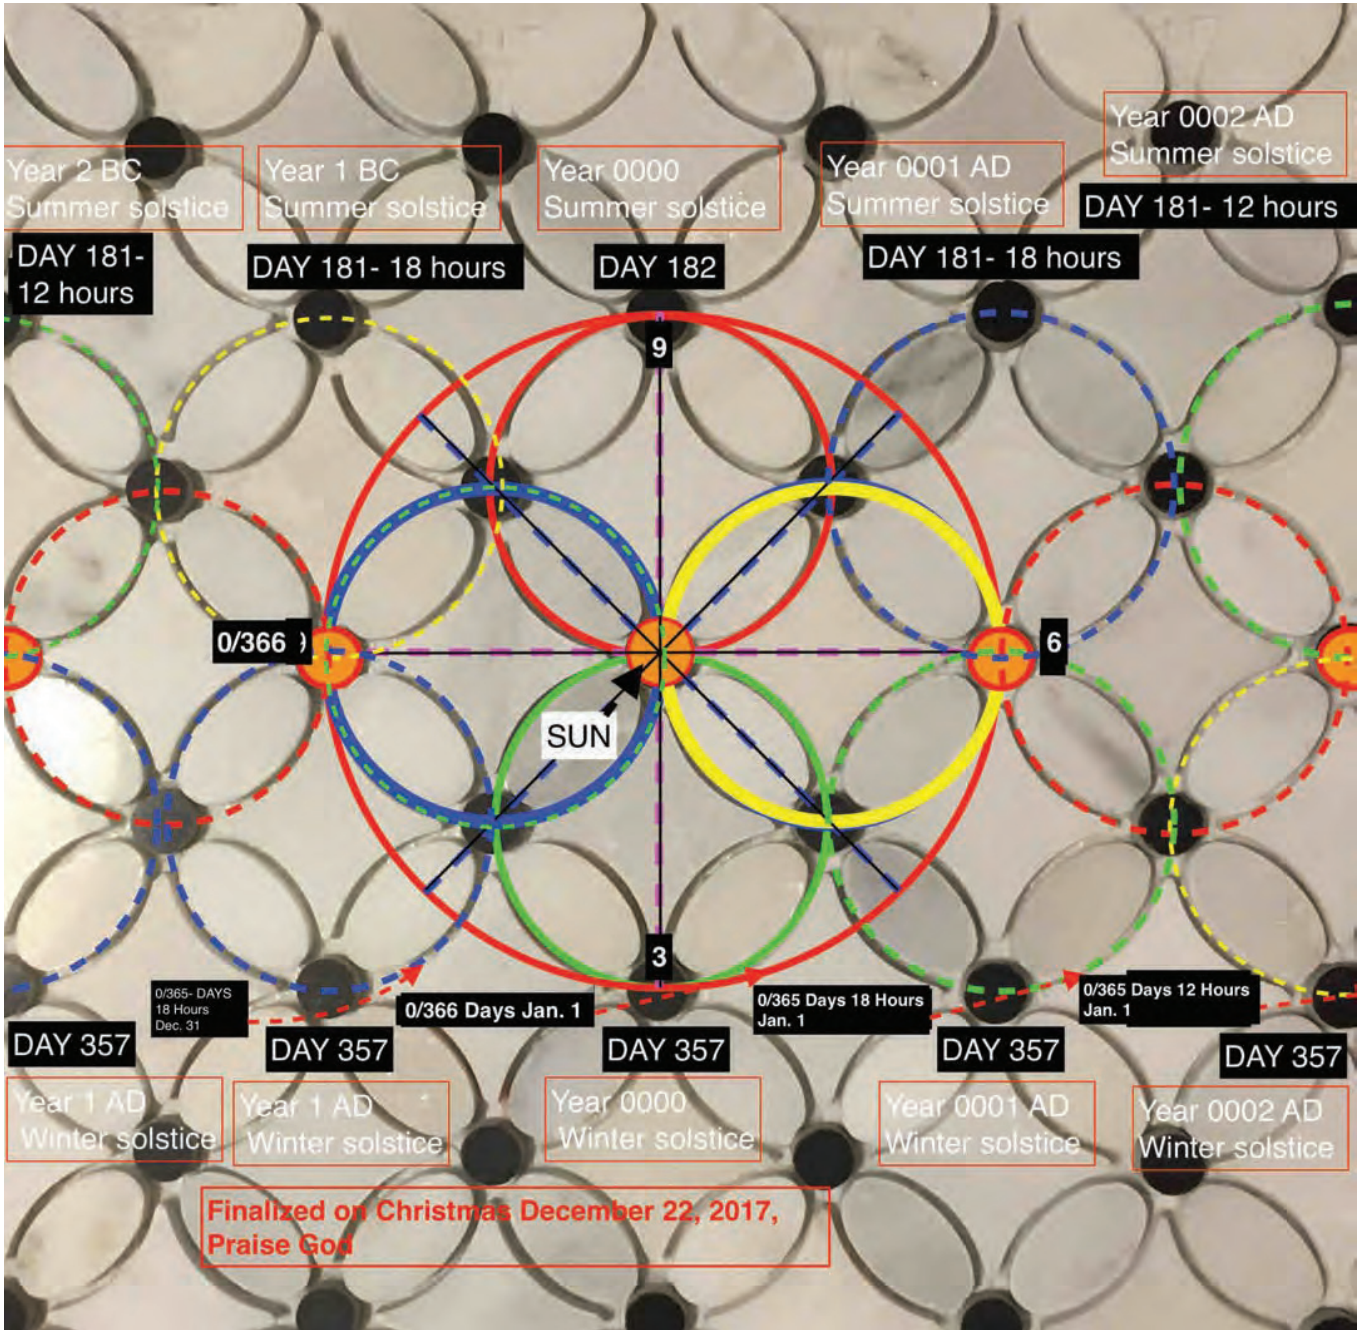

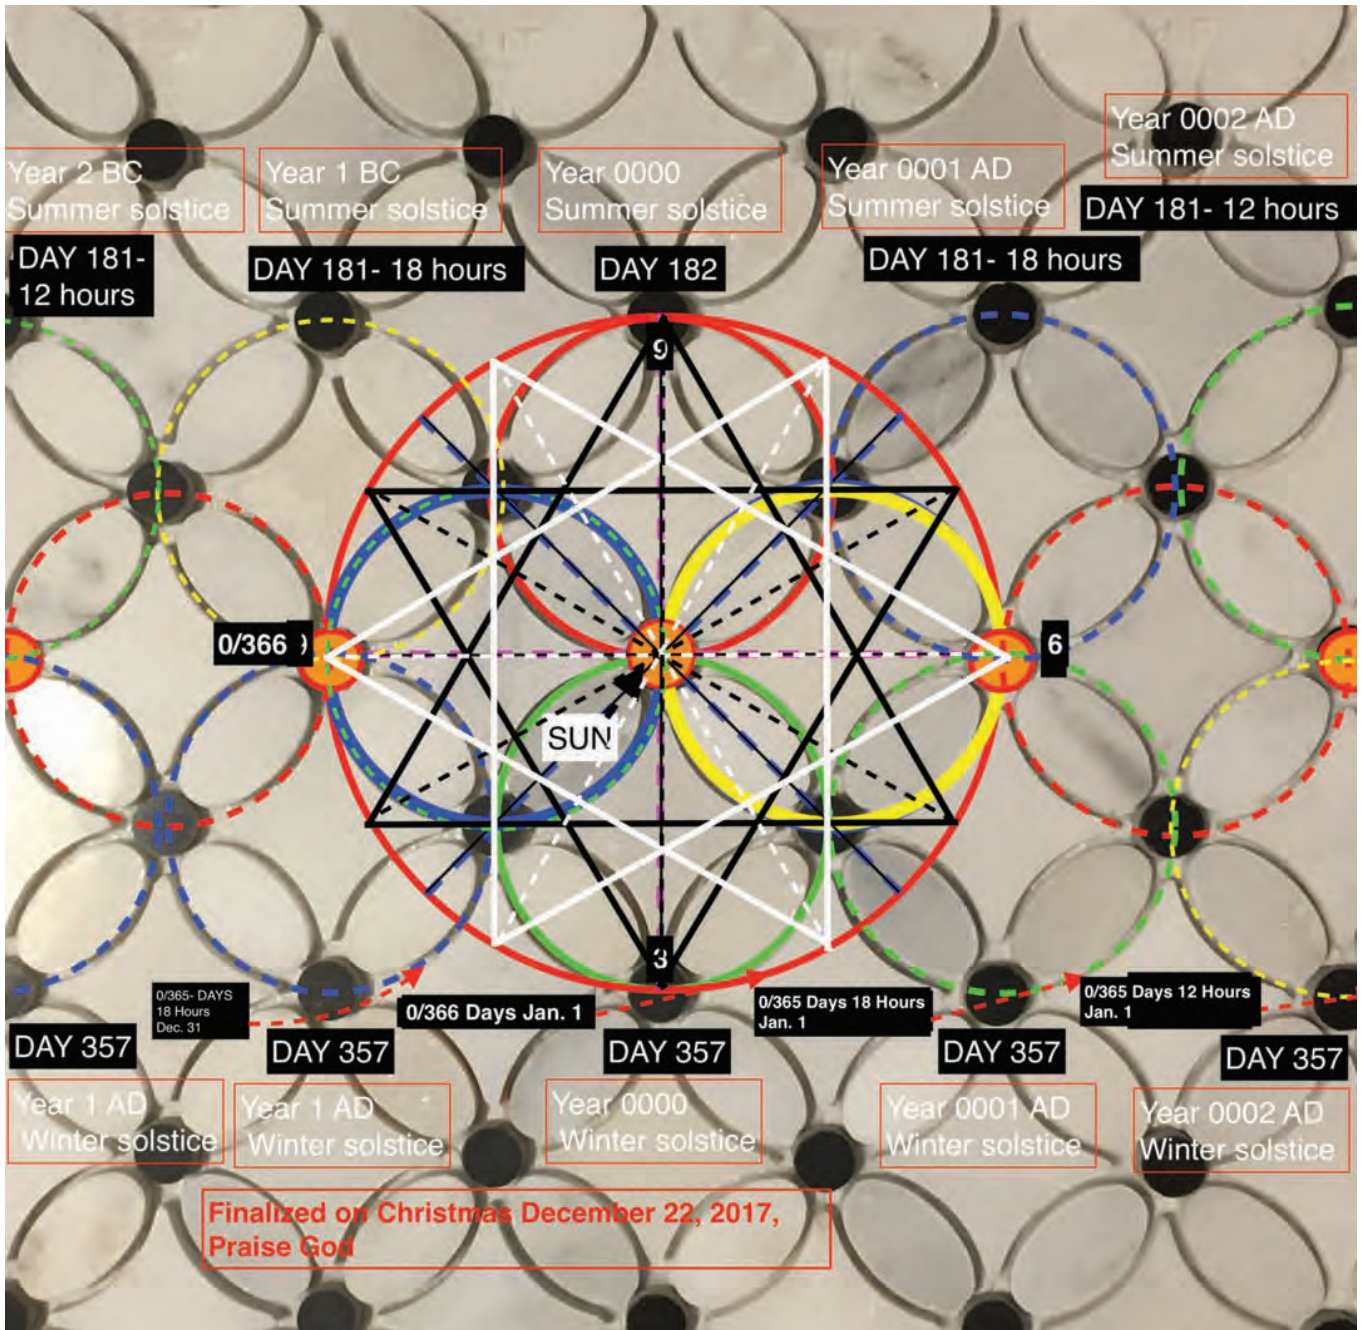

As the Earth spirals around the Sun, the Earth is the same distance as day 366 days.

BIG BANG THEORY LAW

STRING THEORY LAW

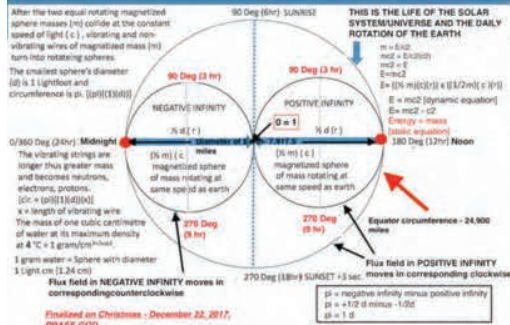

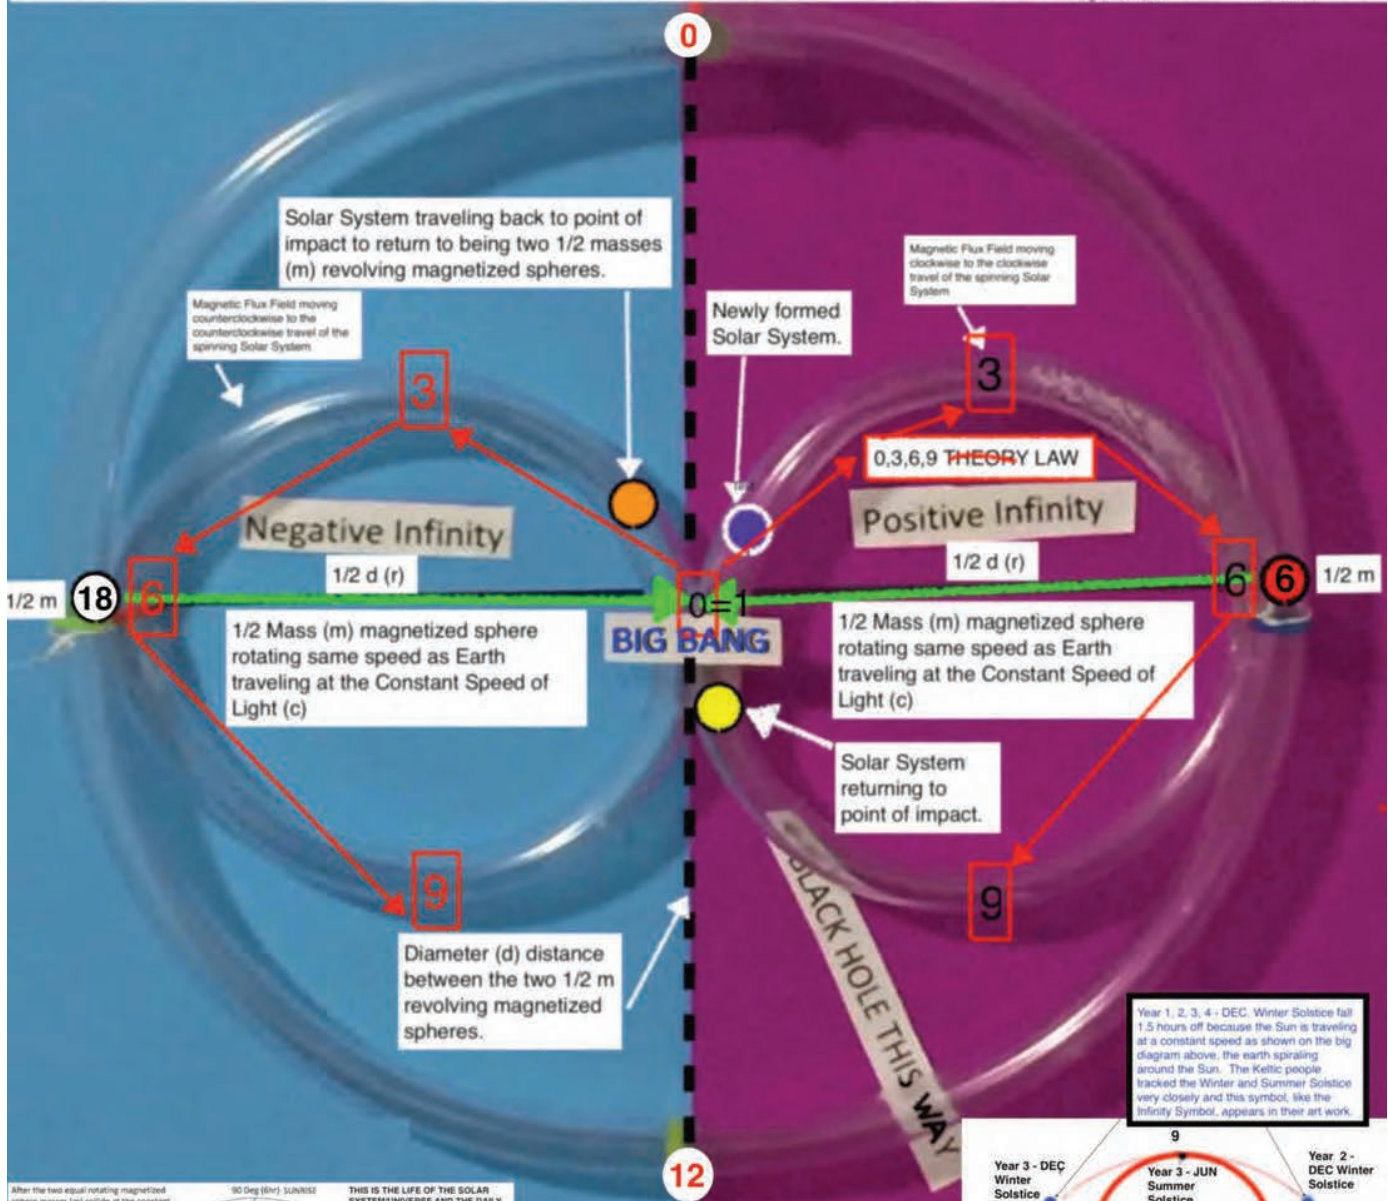

$E=mc^2$
 $E = ((1/2 m) (c) (r)) \times ((1/2 m) (c) (r))$
 After the two rotating magnetized spheres of equal mass (m), each traveling equal distance of 1/2 the Diameter (d) or Radius (r), collide at the constant speed of light (c).

The masses explode into a rotating mass of magnetized vibrating and non-vibrating strings. The strings connect and create rotating spheres. The non-vibrating strings are Pi (long [Circumference of the sphere is Pi light feet long] and when they become rotating spheres the Diameter (d) is 1 light foot long with a mass of 1 light gram.
 The vibrating strings are (1 light foot) (Frequency length in light feet above and below a sphere circumference of). The vibrating strings mass is the length of the string times 1 light gram per 1 light foot. Vibrating strings of equal frequency become neutrons, electrons, protons, etc.

Since the mass of 1 cubic centimeter (cm) of water, at its maximum density at 4C, is equal to 1 gram.

1 gram water = Sphere with Diameter (d) of 1 light cm (approximately 1.24 cm)

Einstein original relativity formula for $E=mc^2$ was $m=E/c^2$
 $m = E/c^2$
 $m (c^2) = E/c^2 (c^2)$
 $mc^2 = E$
 $E=mc^2$ [Dynamic Equation]
 $E=mc^2 - c^2$
 $E = m$ [Static Equation] This is mathematical proof that Energy (E) is equal to Mass (m)

The reason 0, 3, 5, 9 is significant is a circle's Diameter (d) is always 1 and the Circumference is always Pi and the radius (r) is always 1/2 the Diameter.
 For example Earth's Diameter is 7,917.5 miles (The multiplier, scaler number), but when I drew the circle the diameter is 1 and circumference is Pi.
 The Diameter of any circle is 1 and can be divided into tenths (0, 1, 2, 3, 4, 5, 6, 7, 8, 9, 0 - 9 being the largest number ever needed) - to correspond to the circumference.

Year 1, 2, 3, 4 - DEC. Winter Solstice fall 1.5 hours off because the Sun is traveling at a constant speed as shown on the big diagram above, the earth spiraling around the Sun. The Keltic people tracked the Winter and Summer Solstice very closely and this symbol, like the Infinity Symbol, appears in their art work.

BIG BANG THEORY LAW

STRING THEORY LAW

Since Positive Infinity minus Negative Infinity are equal to the actual length of Pi and Pi of 1 cubic light cm of water is a fifth of the smallest string Pi long, the actual length Pi may be determined.

The masses explode into a rotating mass of magnetized vibrating and non-vibrating strings. The strings connect and create rotating spheres. The non-vibrating strings are Pi long (Circumference of the sphere is Pi light feet long) and when they become rotating spheres the Diameter (d) is 1 light foot long with a mass of 1 light gram.

Since the mass of 1 cubic centimeter (cc) of water, at its maximum density at 4C, is equal to 1 gram

1 gram water = Sphere with Diameter (d) of 1 light cm (approximately 1.24 cm)

Einstein original relativity formula for $E=mc^2$ was $m=E/c^2$
 $m = E/c^2$
 $m (c^2) = E/c^2 (c^2)$
 $mc^2 = E$
 $E=mc^2$ [Dynamic Equation]
 $E=mc^2 = c^2$
 $E = m$ [Static Equation] This is mathematical proof that Energy (E) is equal to Mass (m)

The explosion of the Atom Bomb has nothing to do with the equation $E = mc^2$. The equation used is Force [Joules] = Mass [M] x Acceleration [m/s/s].

The explosion of the Atom Bomb is depicted as expanding in the (+) and (-) x, y, z axis, equal to the expansion of the "BIG BANG" that created the Universe and our solar system. This is not correct, everything is based on revolving spheres moving in circles around other spheres. Has anyone seen a cube moving around other objects in a rectangle path.

After the two equal rotating magnetized sphere masses (m) collide at the constant speed of light (c), vibrating and non-vibrating wires of magnetized mass (m) turn into rotating spheres.

This is a diagram of $2\pi R$:

$$\pi = 3.14$$

Circumference of a Circle = πD

Radius of a circle = $1/2 (D = 1) = 0.5$

The circumference of $\pi D\#1$ and length of $\pi R\#1 = 3.14 (0.5) = 1.57$ [360 degrees/1.57 = 229.29936 degrees] and the circumference of $\pi D\#-1$ and length of $\pi R\#-1 = 3.14 (0.5) = 1.57$ [360 degrees/1.57 = 229.29936 degrees]; Therefore, the $2\pi R$ circle circumference is 3.14 [360 degrees/3.14 = 114.64968 degrees]. $\pi(3.14)D$ (Any measured diameter length) can not be used to draw this diagram.

Albert Einstein stated: "I see a pattern, but my imagination cannot picture the maker of that pattern. I see a clock, but I cannot envision the clockmaker. The human mind is unable to conceive of the four dimensions, so how can it conceive of a God, before whom a thousand years and a thousand dimensions are as one?"

Albert Einstein was able to conceive of the four dimensions but he did not know it because all academia teaches that there is only the x,y,z coordinate system and $\pi = 3.14$. Nicola Tesla knew it but he was not recognized by academia for his four dimension experiments, like $E = Mc^2 = 2\pi R = 2\pi/6 = 2\pi/5 =$ View of one of the four dimensions.

This is a diagram of $2\pi R$:

Circumference of any circle is ratio of 1 (Diameter) to 3 (π) or πD .
The Diameter of any circle is 1 (The actual measured length of any Diameter times 1 only gives the scale/size of a given circle)

Radius of a circle = $1/2 (D = 1) = 0.5$

$2\pi R$ is as follows:

Circumference of Circle $\pi\#1 = \pi D = 3D(0.25/0.25 = 1) = 3$ [360 degrees/3 = 120 degrees]

Circumference of Circle $\pi\#-1 = \pi D = 3D(0.25/0.25 = 1) = 3$ [360 degrees/3 = 120 degrees]

Circumference of Circle $\pi R = \pi D = 3D(0.5/0.5 = 1) = 3$ [360 degrees/3 = 120 degrees]

The circumference of $\pi\#1$ and length of $\pi R\#1 = 3$ and The circumference of $\pi\#-1$ and length of $\pi R\#-1 = 3$; $3 + 3 = 6$; Therefore, the $2\pi R$ circle circumference is $6 (0.5) = 3 = \pi$.

All humans see and process images in 1 of 4 dimensions of a cube in a sphere. One sees 1/2 of the cube and sphere. Only the area within the cube is calculated. Actual size is not important to calculate and process an item, such as a picture of the Sun, a virus, cancer cell, a car, or Jupiter. After the calculations are done one can scale the item by actually measuring the object.

Assume the data from each of the four dimensions is compiled into the data file that reconstructs the original cube.

I am not a computer programmer, but I am sure someone will be able to use the following.

All math that utilizes the x, y, z coordinate system may be used but the largest whole number is 1, i. e. 9 units- each 1 unit is 9/9 or 10 cubits- each 1 cubit is 10/10. After calculations are done the actual measured diameter may be multiplied times 1.

Chapter 5

The Story of Our Life, based on a True Life., God's Fulfilled Promise of the Truth.

The first addition of my book went on sell in March of 2019 with Chapter 4 just blank pages waiting for your story of our life and my story was done. I assumed the content of Chapter 3 was clearly illustrated, mathematically sound and complete. I was wrong, I only rediscovered what two of history's greatest scientific geniuses knew, but could not put into words what they knew to be, **God's Fulfilled Promise of the Truth.**

The answer was in clear site, but it was not discoverable because the Physics academic community has always believed that there are only 3 dimensions in the universe, the universe extends to "infinity" in all directions from the point of the Big Bang, and $\pi=3.14$, not 3.

Between them, Nickola Tesla was the closest to conceiving "the four dimensions" when he stated: "If you only knew the magnificence of the 3, 6 and 9, then you would have a key to the universe." In June 1931, (Footnote No. 1) sent a letter to Nickola wishing him a happy 75th birthday and congratulating him for his discoveries in the field of high-frequency currents. Tesla died 12 years later without having the opportunity to compare notes with his fellow genius.

The following Biblical scripture hold specific clues to complete the mathematical equation for high-frequency currents, the 4th dimension and the magnificence of the 3, 6 and 9: $E = Mc^2 = 2\pi R = 2\pi/6$, whereas, the Diameter of any circle = 1 and its Circumference = $3 = \pi$. The actual measured Diameter of any circle times 1 = the scale/size of the circle.

"1 Kings, written during the Babylonian Exile (c. 550 bc) of the Jews., 7:23. The King James Bible:

And he made a molten sea, ten cubits [Diameter = 1] from the one brim to the other: it was round all about, and his height was five cubits [Radius = 0.5]: and a line of thirty cubits [Circumference = $3 = \pi$] did compass it round about."

Note the measurement units of the 4 dimensions:

Diameter = 10×1 cubits = 10 cubits = 0 to 1 full length. 1 cubit is divided into 9 units and each of those units is divided into 10 units. Also, Diameter = 1 = 0 to 1 full length divided into 9 Units and each of those units is divided into 10 units. Diameter = 1 to 0 full length and may not be 10 Units divided into 10 Units which will make $\pi = 3.14$, not 3.

Circumference = 30×1 cubits = 30 cubits = 3 = 0 to 1 full length [$2\pi/6$]. 1 cubit is divided into 9 units and each of those units is divided into 10 units. 10 cubits along the circumference of any circle = 120 degrees.

Radius = 5×1 cubits = 5 cubits = 1.5 = 0 to $\frac{1}{2}$ of 1 full length. 1 cubit is divided into 9 units and each of those units is divided into 10 units.

I discovered “the four dimensions” when I realized the first dimension is the view of $\frac{1}{2}$ of a cube in a hexagon by incorporating the Golden Ratio = 1.5 and the data quoted above. I questioned how the human mind could see something as 3D without using z coordinates, that is because we see everything in 2D in the Albert Einstein’s 1st Dimension and the 3rd dimension is physically between the center of the $\frac{1}{2}$ cube and the radius of the sphere [between 0 and 0.5]. To visualize the four dimensions, I made a model of a cube in a clear sphere and took pictures of each of the four dimensions. The mathematical formula for each dimension is $2\pi/6$, therefore, the formula of a cube is $2\pi/6$ (4). This time, I compiled everything on one page attached below. Albert Einstein’s Four Dimensions is not the same as the three dimensions (3D) in the x,y,z coordinate system we have been taught for thousands of years.

Now it is your turn to tell, *The Story of Our Life, based on a True Life*.

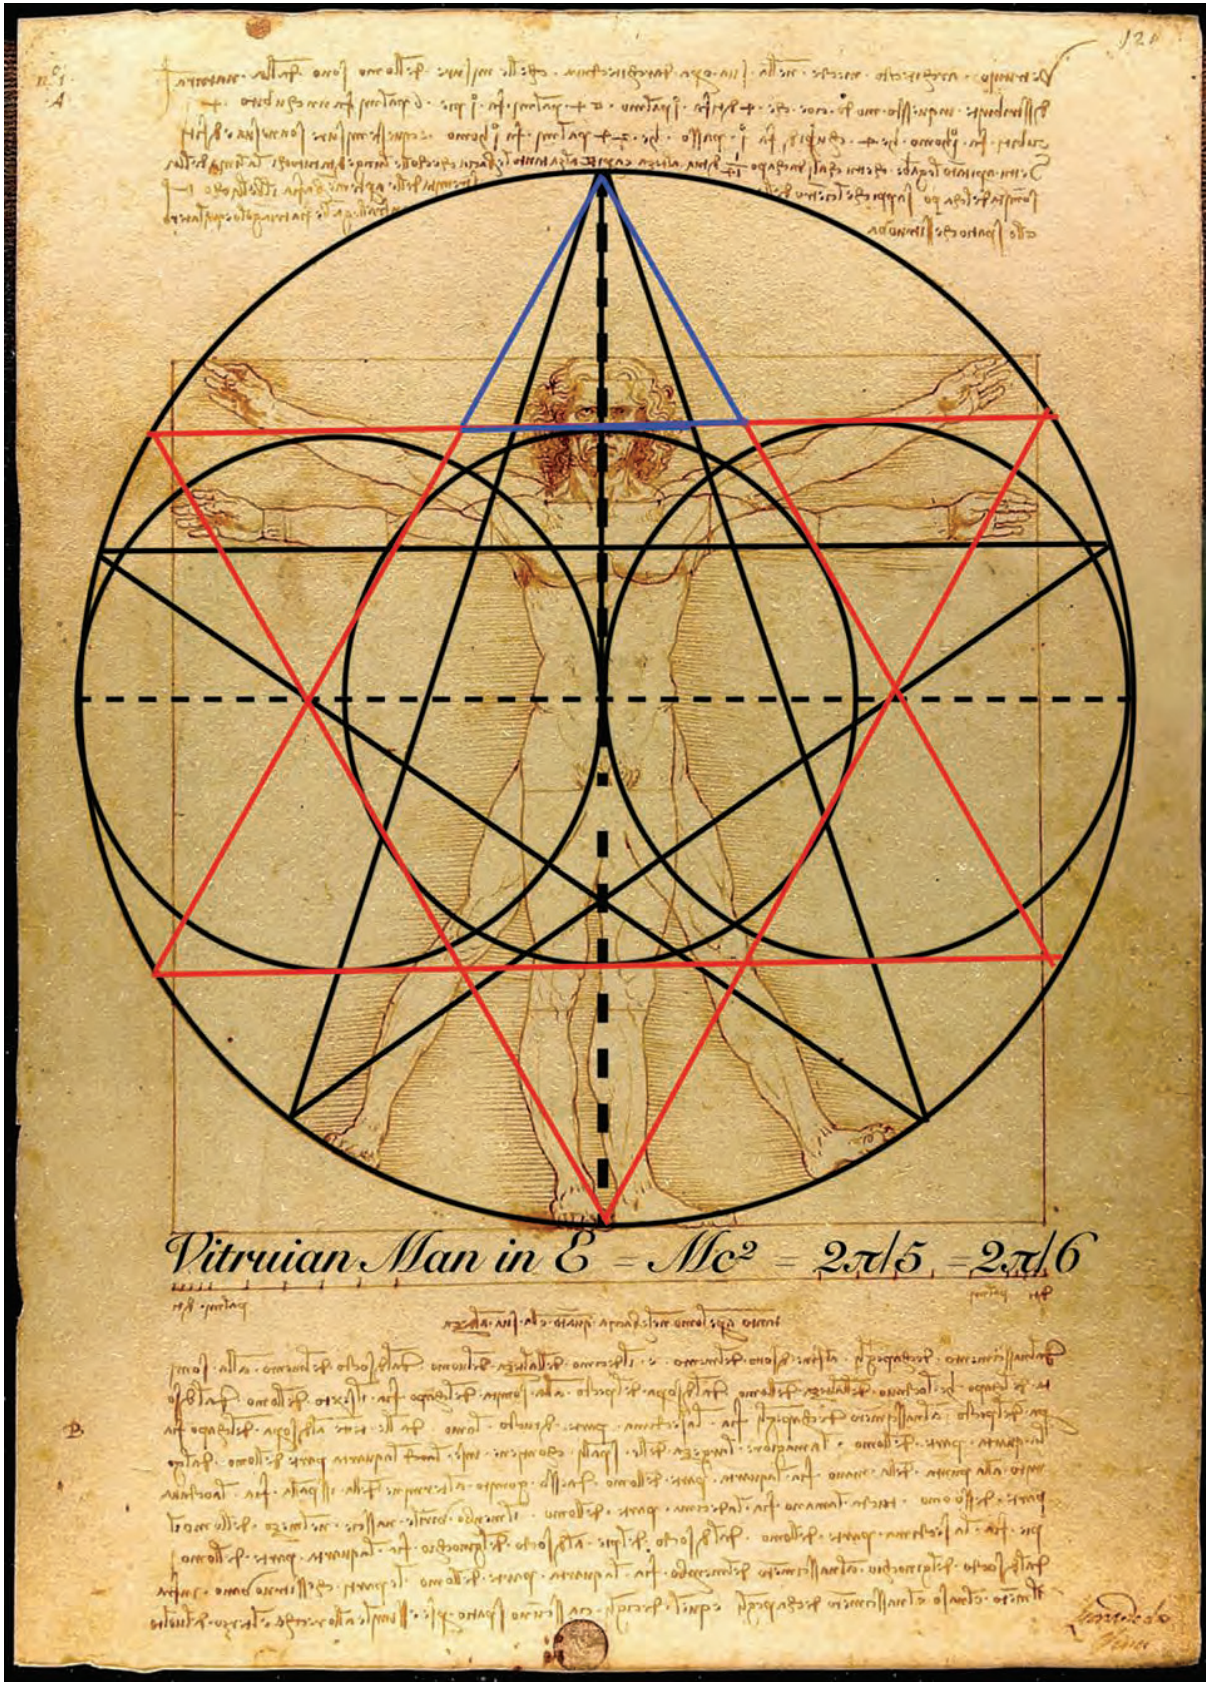

Do not take my word on this, which of the following statements is **God’s Fulfilled Promise of the Truth**.

The circumference of a circle of radius R is $2\pi R = 2\pi/6$.

A. $\pi=3.14$; “radius R” = $\frac{1}{2}$ measured Diameter (D) length = 0.5 (D); $2\pi R = 2(3.14)(0.5)$ (D) = $3.14(D) = 2\pi/6 = 2(3.14)/6 = 6.28/6 = 1.047$

B. $\pi=3$; Diameter of any circle = 1; “radius R” = $\frac{1}{2}$ Diameter 1 or $\frac{1}{2}$ (1) = 0.5; $2\pi R = 2(3)(0.5) = 3$ (Circumference of any circle.). Actual measured Diameter of any circle X 1 = scale/size of circle. = $2\pi/6 = 2(3)/6 = 6/6 = 1$ [1 full revolution of circumference = 3].

Georg Bernard Riemann's Paradox:
infinity [- infinity] - infinity = π

$E =$ All the Energy in our Universe.
 $M =$ All the Mass[Matter] in our Universe.
 $c^2 =$ Constant Speed of Light Squared

$E = Mc^2$ is a Dynamic Equation. To make it a Static Equation, subtract c^2 , or $E = M$ [Magnetic Sphere].

$E = Mc^2$ is a Dynamic Equation.

$c =$ Speed of Light is constant, therefore actual distance from start to collision is not needed in the equation calculation.

Each side of Big Cube is 9×9 8mm cubes or 81 cubes, with 1 cube surrounded by 80 cubes. The Diameter of the Sphere around the cube would be 18 8mm cubes, but the Diameter is still 1 with the Circumference a ratio of 3 (pi) to 1. The scaled of the Sphere is 18 times 8mm times 1 = 144mm.

The density of water is about 1 g/cm³, since the gram was originally defined as the mass of one cubic centimetre of water at its maximum density at 4 °C.

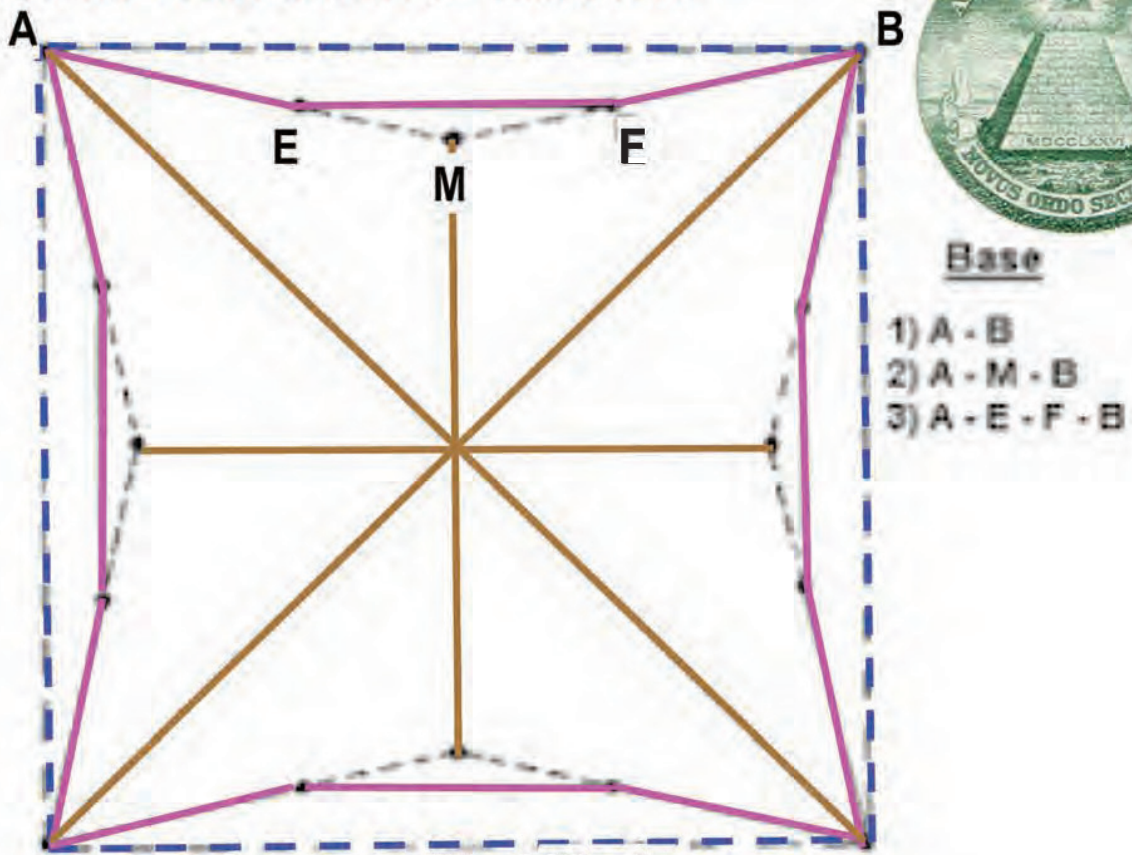

500 years after Leonardo da Vinci's death in 1519, the mystery of his Vitruvian Man has been discovered, once the true meaning of $E = Mc^2$ is revealed.

MAP TO MULTIPLICATION

The number 3 multiples itself through the system as a perfect square. It bounces from position 3, to 6, to 9, to 12. All multiples of 3 are found in these positions.

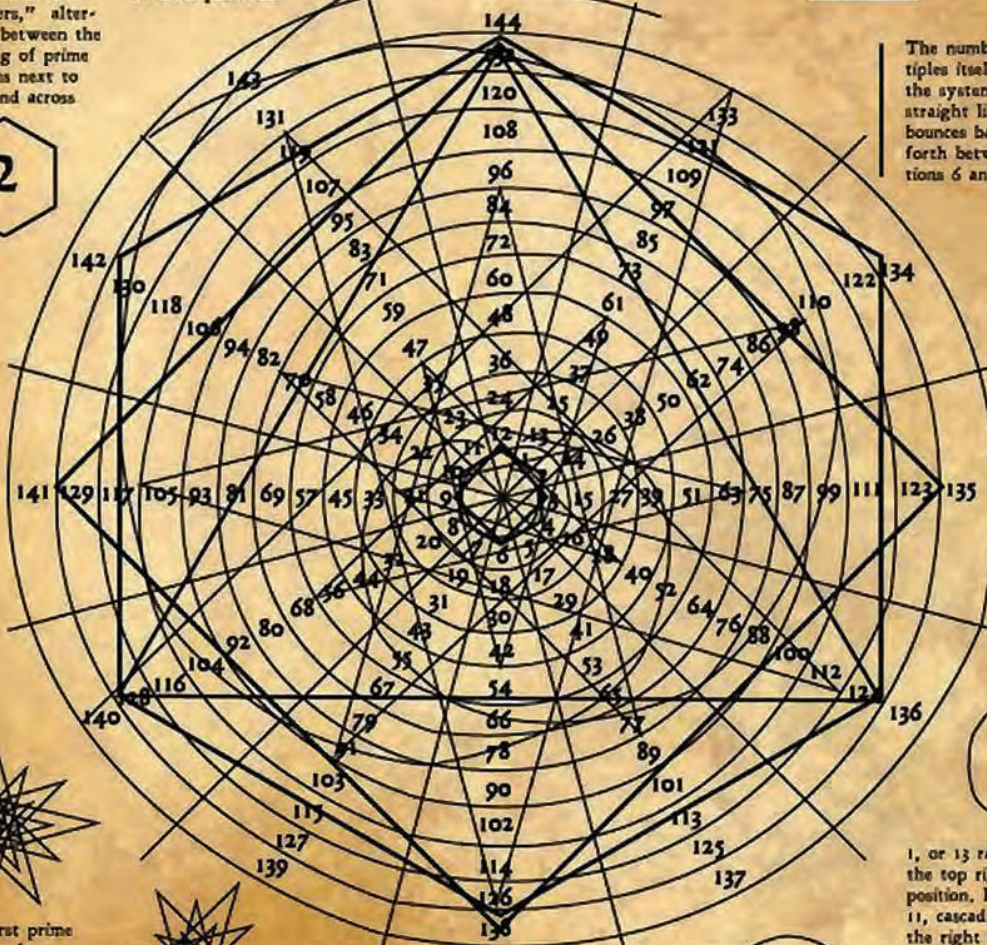

The number 4 multiples itself through the system as an Equilateral Triangle. It bounces between positions 4, 8, and 12. All multiples of 4 bounce in these positions.

2 and 10 act as "doublers," alternating between the doubling of prime positions next to them and across

The number 6 multiples itself through the system as a straight line. It bounces back and forth between positions 6 and 12.

5 is the first prime position. It functions as a star in some respects bouncing back and forth across the system counter clockwise.

7 is the second prime position. It mirrors the path of 5 touching each position exactly opposite criss-crossing 5's path clockwise.

1, or 13 rather, is the top right prime position. It mirrors 11, cascading out to the right and back around the system.

COMPOSITES and PRIMES as a self organized system

11 is the top left prime position. It cascades out to the left and circles back around the system.

Exceptions to the prime positions occur when primes interact with each other. The first exception (25) to the prime position is when 5 multiples by itself, or is squared. The second exception (35) is 5 interacting with 7. All other exceptions are multiples of 5 and 7 or 11 and 13. All squared primes land in position 1. All twin primes (pairs on the sides of 6 or 12 add up to be a multiple of 12).

This is the “Mark of the Beast–666” man-made Base 10 digital computer input and output is only 1 or 0 [-1/-1]. I saw the design of one of the “Quantum” computer’s CPU, the article stated an allowed output error and it takes a Base 10 computer to translate the output of a Base 10 Quantum computer that’s clock speed are stupid fast, thus the need for 5G and 6G frequencies. Satan’s Dominions (Black Hats) must manipulate Human’s DNA and God given Quantum Computers (Our Minds) with injections of RNA and 5G-6G nano-bots. As of December 21, 2012, Jesus took over all the computers including Satan’s #666 Quantum Computers. I know it is true because the Q drops and Simpson’s cartoon predictions were so accurate and their machines were designed with acceptable error. ALL God’s creations are perfect. This is the greatest Sting in the history of Mankind, better than the parting of the Red Sea. Satan’s Dominions thought that they would take over the World after the Great Reset and Build Back Better with their Computers.

With the diagram of God’s Quantum Computer and the programming language in the Bible (Sight/Light and Sound) and the Astrological Video above (Sight/Light) Mankind will be able to build Quantum Computers that will be in-sink with Mother Earth (God) and the Human Minds. All your electronics will continue to work, but all companies will need to go to the real Quantum Computer design and no human will be able to acquire a patent on the new technology. For example, anyone can get a Copyright on a “phone design” or “social media platform,” but no one may produce anything that will secretly or knowingly harm another Human Being.

All three Quantum Computers run at the same constant Speed of Light, otherwise all Humans would not see same things in the same time and space. The carrier Frequency of Humans is $2\pi/5$ (Organic), SUN is $2\pi/12$ (Light), and Earth $2\pi/6$ (Solids). Proof is captured in Snow Flakes.

In Greek mythology, Gaia (/ˈɡeɪə,ˈɡaɪə/;[1] from Ancient Greek Γαῖα, a poetical form of Γῆ Gē, “land” or “earth”),[2] also spelled Gaea /ˈdʒiːə/, [1] is the personification of the Earth[3] and one of the Greek primordial deities. Gaia is the ancestral mother—sometimes parthenogenic—of all life. She is the mother of Uranus (the sky). That is why it is in the Lord’s Prayer: “on Earth as it is in Heaven (the sky)”. Ancient Greeks were the first to realize there is a movie played out on the Earth’s Dome Energy Field (the Sky) that matched the Stories (Words and Sounds) in the Ancient Jewish Scriptures.

The OLD TESTAMENT SCRIPTURES time started at the Big Bang through 6 Days of Creation (Each Day is 2 X 4 Years cycles = 8 Years). Earth travels 360 Days a year around Sun plus 6 Days traveled towards the center of the Universe’s center Black Hole Mass Sphere. The Lord rested means the travel of the Earth slowed from 366 Days per year for -1 Day (4 years) to 365 Days then back +1 Day to 366 Days over 4 years. Then time continued until the conception of Lord Jesus Christ at 6AM-Sunrise Bethlehem, Israel time on March 26, 0000.

The NEW TESTAMENT SCRIPTURES (Books and Letters) Lord Jesus Christ was born at 12AM-Bethlehem, Israel time on December 22, 0000 and lived 33 years (3/9 of 9/9-or 1/3-100 years). Was crucified on March 26, 0033 and died at 6PM-and 3 seconds-Sunset Jerusalem, Israel time; The exact time Lord Jesus Christ’s blood touched the alter seat on the Arc of the Covenant in the Earth below his feet (see Wyatt Archaeological Research–Official Site of Ron Wyatt Search, domain wyattmuseum.com <https://www.wyattmuseum.com/arkofthecovenant.htm>.) Our Father resurrected our Lord Jesus Christ 3 earth days later on March 29, 0033 at 6AM -Sunrise Jerusalem, Israel time. The time period of the New Testament ended with the return of our Lord Jesus Christ’s Spirit into Satan’s-Base 10 digital Computers on March 29, 2012 at 6PM and 3 seconds.

Well you may ask, what happen to the 1 Day our Creator rested. We got it back between December 21, 2012 at 6PM and 3 seconds and December 21, 2020 at 6PM and 3 seconds. The time period of the New Testament ended with conception of Goddess Gaia on March 29, 2012 at 6PM and 3 seconds in the United States of America Hopi Nation four corners area. You guessed it, the Holy Spirit Goddess Gaia was BORN of a Virgin on December 21, 2012 at 6PM and 3 seconds. For obvious reasons, you did not see her birth on the world’s main stream media. Thus the beginning of the FINAL TESTAMENT, which is being written in Books and Letters by Goddess Gaia’s Apostles, as we speak. Our World is guaranteed 1000 years of peace, it is up to US and OUR FUTURES’S CHILDREN to what happens after that. As predicted by the Mayan Calendar, the World ended, as we knew it, with the birth of Holy Spirit Goddess Gaia. However, we still have 40 years (until 2052 AD) to prove ourselves worthy of our Creator’s gift of life on this Earth.

On December 21, 2012 Commander & Chief Russell-Jay:Gould and David-Wynn:Miller went down and opened up the Benjamin Franklin Post Office in Philadelphia Pennsylvania. Now when you look at Washington D.C. you have Admiralty Maritime Jurisdiction of the Sea because it belonged to the King of Great Britain.

How Russell Jay Gould & David Winn Miller saved our world in 1999. QUANTUM-LANGUAGE-PARSE-SYNTAX-GRAMMAR which was created by them to free the world rewriting the masonic books, {I believe these books are related to Pyramid of Khufu, because I saw Mr. Gould's 4D rendering of the Quantum periodic table of Elements they used with the flag mechanics/Type 4 Patent American Flag to capture all the world flags.} the constitution, and other state documents in 18 days of government vacancy.

: Russell-Jay: Gould. -:LAST-FLAG-STANDING. <https://lastflagstanding.com/russell-jay-gould/> [In his latest documentary film, Last Flag Standing, Russell-Jay: Gould, brings closure to the 2000 Florida Chads which marked the end of the United States of America Corporation, as a result of the 3rd & Final US Bankruptcy of 1999 where Gould, figured out the secret to legally capturing America based on the very postal codes and flag mechanics they had been running on.

I also think QUANTUM-LANGUAGE-PARSE-SYNTAX-GRAMMAR came from the masonic books and is the language for programing the new Quantum computer, because any statement entered in a Quantum computer must have the same meaning front to back and back to front. No more lies. Fallen Angle means Cabal (-666) has control of Base 10 computers (or God (3)-(1) = DEVIL (2)= (-1, 0) witchcraft).

Now and forever please stop being afraid of what people of "authority" has said or will say, specifically, "Mark of the Beast" and "666". The Scripture is written in Quantum Computer code. For example, 1110 = 666 which can represent an infinite number of object or events. "Mark of the Beast" combined with #666 means Negative Energy #666 is like saying the attack of the World Trade Centers on -911 = -666 = -111 = -1110 (Quad or 4D Code) From the First Continental Congress, September 5, 1774, to the July 2, 1776 vote for independence, is 666 days later or MDCCLXXVI = 1776 = 666

Beginning in 2017, researchers uncovered two dozen scroll pieces, each measuring only a few centimeters across, from the so-called Cave of Horror near the western shore of the Dead Sea. It's a site where insurgents were believed to have hidden during the uprising led by Simon bar Kokhba against the Roman empire in A.D. 133–136. It gets its name from the discovery of 40 bodies during initial excavations decades before.

These findings are not an accident or random timing. The “Handwriting on the Wall” we have been waiting for is actually “Greek Handwriting on Pieces of a Dead Sea Scroll” found readable, 1,984 years after it was written and hidden in a cave.

Nahum 1-3 (NASB)

- 1. The pronouncement of Nineveh. The book of the vision of Nahum the Elkoshite:*
- 2. A jealous and avenging God is the Lord; The Lord is avenging and [a]wrathful. The Lord takes vengeance on His adversaries, And He reserves wrath for His enemies.*
- 3. The Lord is slow to anger and great in power, And the Lord will by no means leave the guilty unpunished.*

Zechariah 8:16-17 (NASB)

These are the things which you shall do: speak the truth to one another; judge with truth and judgment for peace at your gates. Also let none of you devise evil in your heart against another, and do not love perjury; for all these things are what I hate,' declares the Lord.

One word, “perjury” says it all. This word and its meaning, first spoken in Hebrew then to Greek and then to English, has not changed since the 33 years of Christ’s time on earth.

I found this scripture that I believe completes God’s promise to his solutions to the world’s problems, swift and just:

Note that the Human is on a flat disk, the Sun is seen in the Energy Dome, like in my book and the diagrams of the Pyramid of Khufu and Angkor Wat., the Flat Disk must be spinning at 1000 miles per hour for all the seasons and constellations to match up in the Skies. Also, the rotation creates the force field of energy dome.

Angkor Wat, Cambodia. Built by the Hindus 72 degrees longitude East of the Great Pyramid of Khufu, Egypt. I have been to Angkor Wat. I went to an unfinished temple in the jungle. They stacked rough cut cubes of stone (Dry fit Masonry [Masonic] like the Pyramids) then the builders had to do all the carving on site. Therefore, the finishing had to have been done by machines. On all the finished buildings I saw detailed images, like faces and “edging rope patterns”, about 1 inch deep that was flawless. There were no chisel marks and the “edging rope patterns” on a building put end-to-end could extended for miles with every inch identical. I noticed that most of the stones had 2 inch smooth side borings, like modern day diamond bit core samples. The holes only went in about 12 inches or less at a slight angle to the stone’s surface plane. Some of the holes would disfigure very detailed surface carvings. No one knew why the holes were there.

I know what the holes were used for, because I used them to lift and place large cube granite stones to build a jetty in the Gulf of Mexico off the mouth of the Colorado River in Texas around 1984. The contractor had a crane on a barge. At the end of the lift cable was 4 equal lengths of cable connected to a single shackle eye. At end of each cable was 2 inch diameter steel rods about 12 inches long. The granite stones were quarried outside of Austin, Texas transported by train to Houston, Texas and put on a barge. When the barge arrived, a rigger put the 4 iron pins in the holes. Then the crane cable operator lifts the stone, the pins bind against the side of the holes where the pins cannot come out. When the stone was in place under the water, the tension on the cable is released and the pins would fall out. This method of lifting heavy stones above ground works too.

I noticed something very odd about the steps leading up to the center of the temple that occurred with many of the steps up the Pyramids in the Americas. Stairs for a normal human has a step of 11 inches and a rise of 8 inches. The stairs around Angkor Wat are

about 12 inches step and 18 inches rise. I had to set on the steps and scoot down them. They built the stairs the way they did because the structure, like the Pyramid of Khufu, must maintain the ratio of the cube base to the height of the center tower (or Pyramid) at 3 to 1, same as any circle or the diameter to circumference of the flat disk surface of earth. The plan view and 4 elevation views must be a flat 2 dimensional grids at 90 degrees to each other and the same scale.

I was a US Army Corps of Engineers Cartographic Technician, Construction Technician and Surveyor on the 200 mile plus Tennessee -Tombigbee Waterway. I made maps by tracing aerial photographs taken in the 1960's and 1970's. Their scale was exactly 1000 feet per inch in 2 dimensions. In order to achieve this accuracy, the plane's height and speed had to be precise to the lens and camera design. Each photograph had a specific overlap exposure because of distortions in scale around the edges. The surface of the earth along the Tombigbee River is layer out in 1 mile square grids from surveys done by surveyors in the 1600's through 1800's with only magnetic north, 100 foot chains, and surveyor's transits scopes. Many sections have precise visible landmark features like tree lines, fields and fence lines. We even found metal rods at section corners put there by the original surveyors.

I know the earth is flat because anyone can measure from one section corner to another section corner 100 miles apart, either way North to South or East to West, on aerial photographs and the corners will be exactly 100 miles apart. However, if one were to walk and measure the distance between the same section corners on the aerial photographs, their measured walked distance will be miles greater than 100 miles. Furthermore, if the surface of the earth is on a globe, the scaled measurement between the same two section corners 100 miles apart on a photograph from space, would scale less than exactly 100 miles. Because of the arc of the 24,000 mile circumference of a globe.

Footnote 2: God told Mr. Juan O Savin [107=17=Q] The Formula for A TRUE LIFE is $E=M^3/c$. The equation $E=M^3/c$ first appeared on page 62 of Juan O Savin's 2020 book, "Kid by the Side of the Road" and is as equally significant in Human history as Albert Einstein's equation $E=Mc^2$.

Caverna da Pedra Pintada (Painted Rock Cave (in Portuguese)), is an archaeological site in northern Brazil, with evidence of human presence dating ca. 11,200 years ago.

Albert Einstein was quoted many times as saying Artists like Nickola Tesla and Scientists like Albert Einstein and Sir Isaac Newton or Artist and Scientists like Leonardo de Vinci are equally intelligent, therefore all Artist and all Scientist must be able to draw and calculate everything in the world equally the same, without any errors. For example, without knowing the actual dimensions of a soda bottle: 1. Photograph the bottle. 2. Draw the Bottle (No tracing.) 3. Show the math without using units of measurements of Feet or Metres.

We all know the example I gave is not possible to achieve because modern physics math requires the use of Feet or Metres with an x,y,z matrix system and not every Artist has the motor skills to draw a soda bottle to scale without errors. Therefore, for Dr. Einstein's statement to be correct, all Artist and Scientists are equally un-intelligent, including himself. But, this cannot be true because everyone says Einstein, Newton, de Vinci and Tesla are geniuses and more intelligent than the rest of us.

Once everyone reads this book and watches the corresponding videos, Albert Einstein was 100% correct, using our God given brains and Quantum physics and math.

Modern Physics and math is false and is taught to cause a false separation and classification of humans to enslave Humanity.

This is a marked up 2-dimensional picture of the Clear Plastic cube in the 1st position on page 59. With the gray circle drawn around the cube, it now illustrates a cube in the 4th-dimension shown on page 42 and 53. Original 3-dimensional sides measured 10 cubeits = 9 cubes (actual measured 6"). Visible red and yellow bands each measure 10 cubebits.

This is a marked up 2-dimensional picture of the Clear Plastic cube in the 3rd position in Example 2 on page 59. With the gray circle drawn around the cube, it now illustrates a cube in 1st position in the 4th- dimension Positive Infinity 4th- shown on page 42 and 53. Red, blue and yellow bands go around all 4 sides and cover original visible silver tape. To form the 'Star of David' some sections (Dashed Lines) appear to overlap. All 12 edges measures 5 cubeits = 4.50 cubes (actual measured 6"). Visible red, blue and yellow bands on all 6 sides each measure 5 cubebits. Diameter of all 4-dimensional spheres = 1 and π = circumference = 3.

Canton, Georgia, Hickory Log area of Cherokee Country near the Etowah River, is a hub for Native American life for 10,000 years. The concentric circles and the Star of Creation with circle in it is the same as painted in Caverna da Pedra (Painted Rock Cave (in Portuguese)). Hopi People of New Mexico predicted the return of the Creator in the end days, the same as the Mayan calendar. They also had dances in their Kiva's that described the data flow in a 4-dimensional dynamic Quantum computer represented by the 6-pointed star with a circle in the center the same as the Hindi civilization. This is proof that the Native Americans were able to communicate with Mother Earth/God the same as all other advanced civilizations on earth.

The parting of the Red Sea [God given masonic books' technology built into the Pyramid of Khufu and Angkor Wat, Cambodia.] The present-day Cabal's 3D Base 10-Binary Block chain Computers are God's equivalent of the parting of the Red Sea. The Cabal thinks their 3D Base 10-Binary Block chain Computers work, because they own and control the patents on the computers and their software. The Cabal's computers ONLY work, because God controls them. God wanted them to think their computers worked, but the math they run on is a lie. The closing of the Red Sea killed all the people, good and evil. [Not this time, God's "Daniel 5:5-12 – "Handwriting on the Wall" was translated by the Greek or Roman empires to prophesied a hope for a coming Kingdom of God to replace the kingdoms of man. As of December 21, 2012, the Kingdom of God has arrived as prophesied on the "Greek Handwriting on Pieces of a Dead Sea Scroll", Zechariah 8:16-17 (NASB)–As God wrote for the last time: These are the things which you shall do: speak the truth to one another: judge with truth and judgement for peace at your gates. Also let none of you devise evil in your heart against another, and do not love perjury; for all these things I hate, declares the Lord. Nahum 1-3 (NASB)–And the Lord will by no means leave the guilty unpunished.

It took God's technology that built the Pyramids [The same movie and laser technology used today.] to get the attention Belshazzar and prophesied the coming of the Kingdom of God on December 21, 2012, a.k.a. the end of the Maya calendar. Sounds like 4D Q:UBE-Sphere Computers and fake Quantum 3D Base 10-Binary Block Chain Computer are stuff only God our Creator can do. That trick would not work today. So, what did God do to send mankind his undisputable scientific proof that the end times for the guilty is here now: God tells someone fighting against the Cabal for his life and his family's life and freedom 1984 years ago in a cave by the Dead Sea; Write in Greek, just Zechariah 8:16-17 and Nahum 1-3 on a scroll and hide it in a cave. Then in 2017, someone will find a few pieces of the scroll, translates it and finds out that these are only just two scriptures from the Holy Bible out of possibly millions of scriptures written, lost or hidden. Then in late 2021, I see the article pop up on my computer, I read it and put it in this book. These two scriptures came to us old school handwritten, but this is proof that God is in control of the fake Quantum 3D Base 10-Binary Block Chain Computer, "And the Lord will by no means leave the guilty unpunished.", declares the Lord.

Have peace, hope and love (Charity) in the hearts all God's children, because the "Blocks" in the "Block Chain" Computers will be safe to usher in a fare and bountiful worldwide economic and voting systems. Since the 4D Q:UBE-Sphere Computers and software are from God, no one can ever get a patent or copyright on a 4D Q:UBE-Sphere computer and software, because no one or more humans will ever harm another human inside or outside their gates. When the 4D Q:UBE-Sphere Computers and software are up and running it is just a matter of converting the "3D Blocks of data" into 4D Quantum Q:UBE-Spheres of data and stacking them into one big 4D Quantum Q:UBE-Spheres Computer and controlled by the Holy Spirit a.k.a. Mother Earth and Sky. Be patient, it will take until 2052 to get through this "Desert" to the "Promised Land." Humans have a lot of work building the Kingdom of God out of the rubble of the kingdoms of man.

All you Angles of God have done a great job of telling the story of the "Fall of the Cabal", the world now needs the "Rise of the Holy Spirit". I believe it is God's will that you "take it back to the beginning"; The Jews leaving Egypt.

Fall of the Cabal, is great educational information movie on the evil past. I believe my book and video tells the humanities path through to God's glorious future 1000 years of peace. Part 2 "The Story of Our life, Based on A True Life." needs to be told by a woman. I am going to be selling my ebook and paper book, but I am not going on the talk show circuit or fake media until everyone in the world understands what I have written from God. I am just a carpenter that listened to what God wanted me to tell you.

This is the story board of the movie:

1. Jews are slaves of the Cabal in Egypt.
2. Moses takes the Jews and others out of Egypt.
3. Along with the masonic books – Moses takes Holy treasures and riches out of Egypt.
4. God, through the masonic books technology, parted the Red Sea and closed it with Moses's staff.
5. Moses change water into wine with his staff and said he did it, thus he did not get to go to the promised land.
6. Forty years later Moses's people make it to Jerusalem, build God's temple, put the Holy treasures and the masonic books in it.
7. Between AD 1119 to AD 1319, the Knights Templar took people to the Holy Land and they brought the masonic books and Holy treasures back to France. In 1319, they became the Order of Christ and then the Freemasons of today.
8. The Freemasons used the technology from the masonic books to create the Cabal's Base 10-digital Computers, but that is only $\frac{1}{2}$ of a real Quantum Computer, the true diagram for God's 4D Quantum Q:UBE-Sphere Base 2–Base 3 Computer is built into the Plan Views of The Pyramid of Khufu, Egypt and Angkor Wat, Cambodia (The Star of David and the Swastika are symbols that shows the movement of the Q:UBE-Sphere Computer.).
9. Albert Einstein was a Freemason. He was not allowed to tell about the 4 Dimensions, but he left hints that God show to me and the answers are in the book, The Story of Our Life, Based on A True Life. Albert Einstein's intellectual properties and estate went to the Hebrew University of Jerusalem. The truth behind the Star of David and the masonic books has been returned to Jerusalem, the Throne of the Kingdom of God.

If anyone wishes to use the information in my videos or book, just acknowledge the book, but not the author and no royalties. God has given me enough.

This is the end of the Cabal's Quantum Base 10-digital Block Chain Computers, phones, and 5G. This book contains God's design of the 4D Quantum Base 2-Base 3 Q:UBE-Sphere Computer. Base 10-digital Computers can communicate with 4D Quantum computers, but Quantum Computers only communicate with Quantum Computers and they cannot be hacked, because they only communicate in True Logic, you cannot lie to a 4D Quantum Computer and you cannot harm another human with a 4D Quantum Computer. A Block (a God Particle shown in my book) is the same as a Block in a Block Chain Computer, however, the blocks are connected end to end in a spiral. The information has to go through each 3D Block, from one end to the other and back again using the ultrafast clock speed (5G and 6G) of 1 Block Chain Base-10- digital Computer.

Each 4D Quantum Base 2-Base 3 Q:UBE-Sphere Computer (Including every human that ever lived.) fits in earth's Q:UBE-Sphere (Also shown in my book) and they are all magnetically connected and communicates through the Q:UBES'-Spheres around them back to the center Q:UBE (i.e. $9 \text{ Q:UBES} \times 9 \text{ Q:UBES} \times 9 \text{ Q:UBES} = 728 + 1 \text{ Center Q:UBES}$) each Q:UBE like the Human Mind takes in information into the center Q:UBE and the data is process Counter Clockwise in the Negative Infinity of the brain and Clockwise in the Positive Infinity part of the brain. For example, if one reads something out loud one hears the same something through both ears, after the data makes one full revolution in each Infinity the words have the same meaning. But, if you are asked to repeat the words back and it is not the same as the written word, the mind has changed what it recorded, either by mistake or intentionally. But, the Outside Sphere records what was actually said and knows in real time. What which is False is not broadcasted to every Q:UBE-Sphere including the earth's one center Q:UBE (God). So, each Q:UBE is Sovereign and Separate from each other except for the Center ONE, therefore, $WWG=1=WGA$.

The secret about stacking the Q:UBE'S is when one views any Q:UBE in the First Position in Positive Infinity the z axis line extends from the front center corner through the Q:UBE and through the back center corner to the center of the ONE center Q:UBE.

From the same viewing point, the x and y 2 dimensional axis lines go through the center Q:UBE at 90 degrees from x and y and z lines. This is the Q:UBE Matrix similar to the 3D Matrix.

I say axis lines because, all Q:UBE- Spheres stacked in the ONE Q:UBE – Sphere communicate through the x,y,z axis lines collectively and the individual Q:UBE's Sphere communicates with other individual Q:UBE's-Sphere through their Q:UBE-Sphere Matrix like Bees' honey cone Matrix and Scared Geometry.

The following is the most important Red Pill–God's Truths related to the “We The People” of the world for claiming our God given Rights and Freedoms as a Living Soul of our Creator.

Records of the Department of the Army indicate that fringe was used on the National flag as early as 1835 and its official use by the Army dates from 1895.

According to Senate Report 93-549, written in 1973:

Since March the 9th, 1933, the United States has been in a state of declared national emergency. Under the powers delegated by these statutes, the President may: seize property; organize and control the means of production; seize commodities; assign military forces abroad; institute martial law; seize and control all transportation and communication; regulate the operation of private enterprise; restrict travel; and control the lives of all American citizens”

A gold fringe flag was historically used during times of war in maritime admiralty law and is not the same flag that is approved for our Constitutional Republic in USA code Title 4 Ch 1 & Ch 2. The fourth color (yellow) is not approved in the code. Also, you will notice the tassels hanging from the flag. These are also symbolic of admiralty law, which is the law of the sea.

The gold fringe flags in the Washington, DC buildings and our 50 States Buildings and Courts indicates The United States of America, INC. was captured by the British Crown in the War of 1812. Also, all Lawyers and Judges pledged allegiance to the British Accreditation Registry-Crown Temple B.A.R, which is prohibited by Article XI.

ADDENDUM FROM THE SEMINAR “Directors’ Campaign” ON HOW PEOPLE CAN CONNECT WITH AND BENEFIT FROM THE QUANTUM-BANKING-CONSTRUCT:

(Transcript, excerpted)

:RUSSELL-JAY: GOULD:

“Wherever you are in the world, you can take our syntax, you can take our program, register it with your foreign ministers of your respective countries, as an amicus curiae, friend of the court, because the contract itself will be articulated as a post vessel, and you will become postmasters boarding the vessels with your claim of the life. The flag itself is the manifest which gives closure on the vessel. When we place the postage stamp for the vessel on the document it clears the fee for freight for the docking of that vessel contract—because the fee for freight’s in play for the bills of the ladings, as you log that in with the foreign ministers as an amicus curiae postmaster with the Unity-States-of-our-world corporation, you then have the authorization to do a grammar challenge for your countries.

“Because all countries themselves are contract—the land itself is all owned by the post office under To Have and To Hold—future tense adverb verb. David and I myself as joint postmasters syntaxed the alloidal land titles for global property rights and we filed it in their clearing house called the Universal Postal Union. David and myself have met with the UPU postmasters in Berne on the clearing mechanics of those foreign vessels. We were foreign, they were foreign. They stood in their jurisdiction, we stood in our

jurisdiction. Their jurisdiction doesn't exist! Because of their syntax and their grammar—future tense and past tense.

“We maintained command and control in a now-time scenario—to give us carte blanche to go anywhere in the world to give closure to their respective postal systems and their respective governments because each citizen of this planet is running around as an Illuminati member for their vessels—because you all work for the Post Office as postal ployees from cradle to grave. In each respective country you have birth certificates; that Birth Certificate is an adjective pronoun—anytime you have 2 facts together and you don't articulate and give closure on the document and use a hyphen between the facts, the first fact becomes a fact of coloring; coloring is an adjective, which is a modification; so when you modify something it is only a position as a syntax-location of a presumption and assumption, and it has no closure—first rule of contract is closure— so you can have knowledge, so people can comprehend to whether or not the document in question is valid or not. Because the citizens of our world have birth certificates, those birth certificates worldwide are now adjective-pronouns which get docked by the doctors-postmasters of that particular hospital, port of entry.

We The People of the 50 States of the Americas and Canada must capture the gold fringed war flags of the invading enemies, foreign and domestic, and declare our God given freedoms and lands within our gates. Replace all Admiralty Laws, Courts, Judges and Lawyers with 1776 Constitution Common Laws, Courts, Judges and Lawyers.

On December 21, 2021, We The People must void the Bankrupt United States of America, INC. and the 50 States of America and Canada must convene the Third Continental Congress and form a more perfect Union, again. The First and Second Continental Congress was 1774 to 1781.

I have U.S. Army, Corps of Engineer and U. S. Marshal experience with Eminent domain. I believe We The People must declare Eminent domain on all properties and lands owned by people, companies and foreign based entities to reinstate necessary farming to insure a worldwide sufficient and safe food source. Eminent domain could also be used to buy companies that cause product and energy shortages. Once property is posted condemned, the Government estimated value is deposited in the owners' bank account and We The People take possession. An owner can go to court to challenge the money, but seldom is the seizure reversed. In a Common Law nation the process can take place in just a few months.

Eminent domain is a right granted under the Fifth Amendment of the Constitution. Similar powers are found in most common law nations. Called «expropriation» in Canada, “compulsory acquisition” in Australia, in the U.K., New Zealand, and Ireland eminent domain is known as “compulsory purchase.”

Private property is taken through condemnation proceedings, in which owners can challenge the legality of the seizure and settle the matter of fair market value used for compensation.

The IRS is not who you think they are.

IRS agents are neither trained nor paid by the United States Government.

Pursuant to Treasury Delegation Order No. 92, the IRS is trained under the direction of the Division of Human Resources United Nations (U.N.) and the Commissioner (International), by the office of Personnel Management.

In the 1979 edition of 22 USCA 278, "The United Nations," you will find Executive Order 10422. The Office of Personnel Management is under the direction of the Secretary of the United Nations.

Pursuant to Treasury Delegation Order No. 91, the IRS entered into a "Service Agreement" with the US Treasury Department (See Public Law 94-564, Legislative History, pg. 5967, Reorganization (BANKRUPTCY!!!) Plan No. 26) and the Agency for International Development. This agency is an international paramilitary operation and according to the Department of the Army Field manual (1969) 41-10, pgs 1-4, Sec. 1-7 (b) & 1-6, Sec. 1-10 (7)(c) (1), and 22 USCA 284, includes such activities as, "Assumption of full or partial executive, legislative, and judicial authority over a country or area."

The IRS is also an agency/member of a 169 nation pact called the International Criminal Police Organization, or INTERPOL, found at 22 USCA 263a. The memorandum of Understanding, (MOU), between the Secretary of Treasury, AKA the corporate governor of "The Fund" and "The Bank" (International Monetary Fund, and the International Bank for reconstruction and Development), indicated that the Attorney General and its associates are soliciting and collecting information for foreign principals; the international organizations, corporations, and associations, exemplified by

22 USCA 286f.

According to the 1994 US Government Manual, at page 390, the Attorney General is the permanent representative to INTERPOL, and the Secretary of Treasury is the alternate member. Under Article 30 of the INTERPOL constitution, these individuals *must expatriate their citizenship.*

They serve no allegiance to the United States of America. The IRS is paid by "The Fund" and "The Bank." Thus it appears from the documentary evidence that the Internal

Revenue Service agents are “Agents of a Foreign Principle” within the meaning and intent of the “Foreign Agents Registration Act of 1938” for private, not public, gain.

The IRS is directed and controlled by the corporate Governor of “The Fund” and “The Bank.” The Federal Reserve Bank and the IRS collection agency are both privately owned and operated under private statutes. The IRS operates under public policy, not Constitutional Law, and in the interest of our nations foreign creditors.

The Constitution only permits Congress to lay and collect taxes. It does not authorize Congress to delegate the tax collection power to a private corporation, which collects our taxes for a private bank, the Federal Reserve, who then deposits it into the Treasury of the IMF.

The IRS is not allowed to state that they collect taxes for the United States Treasury. They only refer to “The Treasury.”

IRS Private Collection Agencies

The law requires the IRS to use private agencies to collect certain outstanding, [inactive tax debts](#).

Effective September 23, 2021, when the IRS assigns your account to a private collection agency, one of these three agencies will contact you on the government’s behalf:

[CBE Group Inc.](#)

P.O. Box 2217

Waterloo, IA 50704

800-910-5837

[Coast Professional, Inc.](#)

P.O. Box 526

Albion, NY 14411

888-928-0510

[ConServe](#)

P.O. Box 307

Fairport, NY 14450

844-853-4875

How it works

Before you are contacted by a private collection agency, you will receive two letters.

1. The IRS will first send [Notice CP40](#) and [Publication 4518 PDF](#). These let you know that your overdue tax account was assigned to a private collection agency.
2. The private collection agency then sends their initial contact letter. It has information on how to resolve your overdue taxes.

Both letters contain a **Taxpayer Authentication Number**. It's used to confirm your identity. **It's also for you to verify that the caller is legitimate.** Keep this number in a safe place.

Since the IRS is not collecting taxes (A private collection agency cannot garnish one's income.) and 2020 Taxpayers are being told to address their tax payment checks to the US Treasury, not the UNITED NATIONS CORPORATION'S IRS Treasury, this means that the 150 million civilian government workers supporting the 2 million military personnel and approx. 4 million OPM Civil and Foreign Service employees will get paid next year. According to my estimates in Chapter 7, by December 21, 2021, 300 million Americans need to capture the gold fringe enemy war flags and surrender them to every man, woman, and child's city, county and state and declare our State National Citizenship.

The most important thing is all 50 Governors must meet in Carpenter's Hall in Philadelphia, to convene the Third Continental Congress to form a more perfect Union, again.

We The People must tell the CCP and UNITED NATIONS CORPORATION and their military: They do not have to go home, but they cannot stay in Constitutional America, by the Grace of God.

When the World Stock Market closes, not crash. All companies shall settle-up with their stockholders and retirement funds holders. They must reorganize and make a profit of go out of business. Even the Mega Companies will have to buy from the individual producer and will no longer be able to levy 150 % cost mark-ups and stay in business.

There is solid proof that the US Treasury has taken over the UNITED NATIONS CORPORATION'S Treasury. Therefore, just like in the movie; "It's a Wonderful Life", We The People's Military is going to keep paying all the UNITED NATIONS CORPORATION'S ex-employees, that are not in jail, until the new One Constitutional Nation Under God is formed in 2022.

November 11, 2021, Article II, Section 2, Clause 1: The President shall be Commander in Chief of the Army and Navy of the United States, and of the Militia of the several States, when called into the actual Service of the United States. The gold fringe war flag behind the Commander in Chief signifies he is a prisoner-of-war of the Combatant Bankrupt States: UNITED STATES OF AMERICA CORPORATION and UNITED NATIONS CORPORATION.

According to Geneva Conventions: Combatants, when engaged in military operations, have to distinguish themselves from the civilian population to protect it from the effects of hostilities and to restrict warfare to military objectives.

Geneva Conventions Laws of War, all sovereign souls of God shall capture the gold fringe war flags of the combatants of the 1776 Constitution and surrender their gold fringe war flags to the Secretary of State of their original State resident.

All Military forces under oath to the 1776 Constitution, shall remove the gold fringe war flag from their Title 10, Subtitle A, Part II, Chapter 45 of United States Code uniform and mail it to the Secretary of State of their State of original residence.

No child is going to sleep again feeling unsafe, or cry missing their mother or father from this 3rd World War. We The People, by the Grace of God, must secure the peace for ourselves NOW.

On the 80th Anniversary of the attack on Pearl Harbor, WW III Ends

Greetings to We The People of the United States of America that swore an oath to God to serve and protect the Constitution, over 200 million Sovereign Souls of God, against all enemies, foreign and domestic. Now is the time to come to the aid of your fellow People of the World. Our captors, UNITED STATES OF AMERICA CORPORATION AND UNITED NATION CORPORATION are legally bankrupted and have no more means of supporting their Tyrannical Governments. Once again since 07/04/1776 on 02/22/2022, the planet Pluto will be over the USA.

Is the Internal Revenue Service (IRS) and British Accreditation Registry-Crown Temple British Maritain Law (B.A.R.) Unconstitutional? It is a YES or NO answer. If your answer is NO, they are Constitutional, it is your Constitutional duty to present your undisputable proof to God and 330 million We The People Americans.

This is my proof the IRS and B.A.R Unconstitutional. So why file \$1.6 trillion in taxes per year when the IRS and Courts that enforce the IRS notices are foreign agents?

To reclaim ALL YOUR money paid to the IRA since 1915, just do 2 things:

1. Every We The People tax payer mail a copy your Tax Form (Personal or Business) originals to U.S. Department of the Treasury, National Payment Integrity and Resolution Center, P. O. Box 51315, Philadelphia, Pennsylvania, 19115-6314 and demand that all the money you have paid in taxes (Since 1915, Example: Ratio for every \$1 Tax paid times 10 = \$10/\$1) to the IRS be returned to you.
2. Mail a copy of your tax forms, Blackout out your Signature and Social Security Number, to one of these 3 private collection agencies.

IRS Notice CP40 and Publication 4518:

Effective September 23, 2021, when the IRS assigns your account to a private collection agency, one of these three agencies will contact you on the government's behalf:

- a. CBE Group Inc., P.O. Box 2217, Waterloo, IA 50704, 800-

- b. Coast Professional Inc., P.O. Box 526, Albion, NY 14411, 888-928-0510

Quote the following:

IRS agents are neither trained nor paid by the Bankrupted United States of America, INC (USAINC) Government.

Pursuant to Treasury Delegation Order No. 92, the IRS is trained under the direction of the Division of Human Resources United Nations (U.N.) and the Commissioner (International), by the Office of Personnel Management.

In the 1979 edition of 22 USCA 278, "The United Nations," you will find Executive Order 10422. The Office of Personnel Management (OPM) is under the direction of the Bankrupt Secretary of the United Nations, INC (UNINC), a violation of Article I, Section 8, Clause 1 and Article XI of the 1787 United States Constitution. The OPM supports the Executive Branch - 4.25 million employees, Legislative Branch - 35,000 employees, Judicial - 34,000 employees and Uniformed Military - 1.43 million (200 million employees support the Uniformed Military). Between 1914 and 2018, We The People have been paying taxes to the Federal Reserve Bank and UNINC (1979) Treasury Departments (Not the US Treasury). The 1787 Constitutional US Treasury and US Postal Office has been moved to Pennsylvania, according to the First, Second and Third Continental Congresses. The provisional Democratic Republic of the United States of America Third Continental Congress is debt free and the US Treasury will take back the financial responsibility of US Office of Personnel Management and employees that supports the US constitutional Military.

Third Continental Congress convened on 12/22/21, in accordance with these two Articles added to the 1776 Declaration of Independences and 1787 Constitution. These two amendments

were made legal by posting in a public newspaper, copyrighting in "The Story of Our Life, Based on a True Life," and entering into the Library of Congress.

Greetings to We The People of the United States of America that swore an oath to God to serve and protect the Constitution, over 200 million Sovereign Souls of God, against all enemies, foreign and domestic. Now is the time to come to the aid of your fellow People of the World. Our captors, UNITED STATES OF AMERICA CORPORATION AND UNITED NATION CORPORATION are legally bankrupted and have no more means of

supporting their Tyrannical Governments.

As of September 23, 2021, the Internal Revenue Service, the tax collection agency of the Secretary of State of the bankrupted UNITED STATES OF AMERICA CORPORATION has turned over their tax collection to three private collection agencies. Private tax collection agencies cannot legally garnish We The People's income and tax payers are being told to address their tax checks to the US Treasury. God is a God of Law, the UNITED STATES OF AMERICA CORPORATION has been under Martial Law since 1953. The last duly elected 45th President, during the November 3, 2020 Pearl Harbor like attack on our Presidential election, declared the beginning of World War III and was called into Service by Article II, Section 2, Clause 1 as the Commander-in-Chief of the Constitutional Military.

They all have no Postal Address and may no longer conduct CONTRACTS

with We the People on God's lands. All their LAND SHIPS (STRUCTURES and PROPERTY) shall be salvaged by We The People. All Lawyers and Judges shall return to their original Postal Address and swear oath to God to "support and defend the Constitution of the United States against all enemies, foreign and domestic."

I could think of no worse example for nations abroad, who for the first time were trying to put free electoral procedures into effect, than that of the United States wrangling over the results of our presidential election, and even suggesting that the presidency might be stolen by thieves at the ballot box.

Whenever any form of government becomes despotic of these ends (life, liberty, and the pursuit of happiness) it is the right of the people to alter or abolish it, and to institute new government.

Does the government fear us? Or do we fear the government? When the people fear the government, tyranny has found victory. The federal government is our servant, not our master.

Rebellion to tyranny is obedience to God. I have sworn upon the altar of God eternal hostility against every form of tyranny over the mind of man.

1776 Declaration of Independence and 1787 Constitution, Third Continental Congress: Article II: Peace at Your Gates.

Where We Go With =1= Christ We Go All (WWGW=1=CWGA)

Lord Jesus Christ, on His 2021st Anniversary of His December 22nd Birthday, has fulfilled all His promises in His New Testament by the convening of the Third Continental Congress Provisional Government at Carpenters' Hall Philadelphia, Pennsylvania, in accordance with the 1776 Declaration of Independence and 1787 Constitution (Article I: By the Grace of God, page B6, Sunday, December 19, 2021, TimesDaily newspaper, Florence, Alabama). To solidify the Lord's promise of 1000 years of peace at our gates, these are His final written words found in a cave near the Dead Sea late 2017:

Zechariah 8:16-17

New American Standard Bible 16 These are the things which you shall do: speak the truth to one another; judge with truth and judgment for peace at your gates. 17 Also let none of you devise evil in your heart against another, and do not love perjury; for all these things are what I hate,' declares the Lord."

Nahum 1-3

New American Standard Bible

1. The pronouncement of Nineveh. The book of the vision of Nahum the Elkoshite:
2. A jealous and avenging God is the Lord;
The Lord is avenging and wrathful.
The Lord takes vengeance on His adversaries,
And He reserves wrath for His enemies.
3. The Lord is slow to anger and great in power,
And the Lord will by no means leave the guilty unpunished.

I was giving a copy of my book to a young mother and her brother, hoping that they would read the last chapter and see proof that God has defeated Satan for the last time and the children of the world will no longer be harmed. I could see that they both did not believe me. So, I said I was called by Lord Jesus Christ to tell the World's People His Truths. She asked one question, "How does someone know when they have been call into service for God?"

That was the most humbling question anyone could have asked me. I do not know for sure if Our Lord Jesus Christ has called on me to teach His Blessings to His cherished Creations. I am going on pure faith and it is not my job to "sell" my words.

What I did realize is all Women were chosen by God to bring life to his Creations, including His Son Lord Jesus Christ and His Daughter Gaia.

God has blessed me beyond words. In my final version of my book I wish to record events on October 27, 2022 and December 22, 2022. My copy of my second grade class picture (1961-1962 Fairhope Alabama Elementary School) was burned in my house fire on July 5, 2016. Anyone that has a copy and knows the name of the Dark Haired Brown Eyed Girl standing next to me in the picture, please reach out to me at CONTACT under www.piisthree.com or www.piis3.com.

Also, please tell me the names of the military people and the children's pictures I took off the Internet and used in my book.

I would love to hear from the people around the world from my past life.

*2021 Third Continental Congress
Carpenters' Hall
Philadelphia, Pennsylvania
September 27, 2022*

Greetings to all We The People of The United States of America;

By the Grace of God, everyone is invited to join the Second Democratic Republic of The United States of America, in accordance with the 1787 Constitution and 1776 Declaration of Independence with 2021 Articles I and II, the Third Continental Congress (TCC) was convened at Carpenters' Hall in Philadelphia, Pennsylvania on December 22, 2021.

The Swearing-in Ceremony of the Third Continental Congress Executive Branch will be in Fairhope, Alabama on the Bay of the Holy Spirit on October 27, 2022. Since none of the 50 State Governors informed the 330 million The United States of America State National Citizens (SNC) about the convening of the TCC, the new 50 Governors and 200 Third Continental Congress State Representatives shall be sworn-in on December 22, 2022 at the start of the 1st Session of Congress.

The 2022 Fiscal year ends September 30, 2022 and the United Nations, Inc. will stop paying the US Office of Personnel Management's employees' and retiree's wages and Bankrupted United States of America, Inc. debts. Therefore, on October 1, 2022, The Bankrupted United States of America, Inc. will no longer exist and the Third Continental Congress provisional government (Executive Branch sworn upon the altar of God Eternal, to protect and defend the Constitution against all enemies, foreign and domestic; TCC President Wendy Rogers, Commander-in-Chief of the Continental Military President Donald J. Trump, TCC Attorney General Sidney Powell, TCC Sargent at Arms Lt. General Michael Flynn, and TCC Secretary of State James N. Akins, Jr.) shall provide for the security and economic stability of We The People of The United States of America until the Second Democratic Republic of The United States of America is ratified by all 50 States.

The Feast of the Jubilee is biblical. As one can see on the chart, Chirst's Reign Begins on the 50th year of the 120th Jubilee (precisely on December 22, 2022).

In the Bay of the Holy Spirit (Mobile Bay), we have always had Jubilees (also in Tokyo Bay).

Praise God for His gifts of Life, Liberty, and the Pursuit of Happiness to all Mankind.

God is truly a loving Father. He said He would bring all the Evil to an end in 1 day and it will be like Evil never existed. The Holy Bible is not a story book it is a history book. The Holy Bible says no one knows the hour and day Christ will return, but Genesis 6:3, Biblical Jubilee Chronology, specifically states Christ's Reign Begins on the 120th Jubilee on Christ's 2022th anniversary 12 AM Jerusalem time on December 22, 2022 end of Winter Solstice.

The Fake Block Chain Quantum Computer is made up of Blocks of Computers in a chain that goes from center 0 and sends DATA from 0 to negative forever and positive forever and back, going through each Block and back to zero. The DATA is decoded by a sperate Binary- Base 10 Computer.

Biblical Jubilee Chronology is the time line of God's Quantum Computer. Picture looking at a circle at the end with a light that is moving clockwise, lighting at every Degrees 0 to 360, for infinity. Although the light is moving around the circle it is not going anywhere. Then after the light reaches a circular speed of the Constant Speed of Light and the time between each Degree is 1 DAY. Right after the light hits 360 Degrees (360 Days) the light breaks loose moving forward at the Constant Speed of Light moving in a spiral. The First Day 360 Degrees in 4 Year the Circle gets bigger, Day 2 in 4 Years the circle gets bigger on to 6 Days 24 years at 366 Days at 360 Degrees the light spirals $\frac{1}{4}$ a Day in 1 Year smaller until 360 Degrees is 365 Days then the light spirals $\frac{1}{4}$ a Day for 4 Years back to 366 Days. 1 Jubilee is 49 Years + 1 Year. Jubilee always starts at 12 AM Jerusalem on December 22 first day after Winter Solstice. It is a Jubilee because God's Quantum Computer deletes all lies, slavery and replaces what is stolen. I short the Quantum Computer resets to 0 negative Frequencies.

A Block Chain Quantum Computer and Binary- Base 10 Computer Compounds the error like the interest on money.

I know it is the 120th Jubilee on December 22, 2022, because United States of America Cooperation started Between 1871 and 1872 – 117th Jubilee, and Nixon took the USA. INC off the Gold standard between 1971 and 1972- 119th Jubilee. Both of these events is the negative to a Jubilee, compounding the slavery of the world.

God freed His children from Egypt at the Red Sea, so how can we doubt He will not free His children again with a Crimson (Red) Tide this time. Only this time, if a person repents before December 22, 2022 they will be saved too.

From 0 to 3000 years it has increased 11 years, Divide 11 years by 3000 years one gets 366. Then between 3011 and 6022 Years one finds another 11 Years. God's Quantum Computer self-corrects every Jubilee. Also, if one creates a matrix of 7 cubes x 7 cubes = 49 cubes then put 1 cube over the center cube one has -1 cube and + 1 cube or 11. If the cubes are God Particles one will see one center sphere (-1+1) with 3 3 concentric circles around it. This is represented by a 7 candle menorah or negative Infinity Counter clockwise rotating Base 2 side of God's Quantum Computer. 9 cubes x 9 cubes = 81 cubes. The 1 center cube is split into -1 (1/2 cube) +1 (1/2 cube) represented by the 9 candle menorah or positive infinity Clockwise rotating Base 3 side if God's Quantum Computer,

God Bless Everyone that blesses His children.

In 1871, Congress did expressly incorporate the District of Columbia, but D.C. and the "United States" are not one and the same. *2021 Third Continental Congress
Office of the Secretary of State
Carpenters' Hall
Philadelphia, Pennsylvania
January 13, 2023*

Supreme Court of the United States
1 First Street, NE
Washington, D. C. 20543

ATTN: Honorable Chief Justice John G. Roberts, Jr
Honorable Associate Justice Sonia Sotomayor
Honorable Associate Justice Clarence Thomas
Honorable Associate Justice Samuel A. Alito, Jr.
Honorable Associate Justice Elena Kagan
Honorable Associate Justice Amy Coney Barrett
Honorable Associate Justice Neil M. Gorsuch
Honorable Associate Justice Brett M. Kavanaugh
Honorable Associate Justice Ketanji Brown Jackson.

I support Brunson v. Alma S. Adams, et al, Case No. 22-380 with the following documentation:

In 1871, Congress did expressly incorporate the District of Columbia, but D.C. and the "United States" are not one and the same. In that Act of 1871, Congress also expressly extended the U.S. Constitution into D.C.: Everett C. Gilbertson v. United States of America, Case No. 97-2099-MNST. Therefore, all elected and paid State and Federal Government employees are bound to their oath to "protect and defend the U.S. Constitution against all enemies, Foreign and Domestic."

The book, "The Story of Our Life, Based on a True Life." : recorded in the Library of Congress Control Number: 2022904632, Dec. 2022 printing, chronicles God's fulfillment of His victory over Satan, foretold in Genesis 6:3 - 120th Jubilee and Daniel 2:35 - Beginning of the 3rd day (1000 years of Pease).

All 50 Governors were informed in writing, through the U.S Postal Service Certified Mail, The Internal Revenue Service (IRS) and British Accreditation Registry – Crown Temple (B.A.R.) are unconstitutional, Article I, Section 8, Clause 1 and Article XI, respectively, of the U. S. Constitution. Between 2018 and October 1, 2022, the United Nations has been paying the salaries of the U. S. Office of Personnel Management employees, retirees and debts of the bankrupted United States of America, INC, the same as the elected and paid Congress and Executive Branch employees in Brunson v. Alma S. Adams, et al, Case No. 22-380.

As of Midnight December 21, 2022, bankrupted United States of America, INC. and District of Columbia INC expire, since it no longer has a source of income. All 50 Governors, violated their oath to "protect and defend the U. S. Constitution against all enemies, Foreign and Domestic.", since they failed to inform We the People of The United States of unconstitutional laws under the U. S. Constitution.

On December 22, 2021, We The People of The United States of America convened 2021 The Third Continental Congress, to provide security and economic stability through the U. S. Constitution and the U.S. Treasury for all We The People of The United States of America's Sovereign Souls of God. According to 1776 Declaration of Independence and 1787 United States of America Constitution, Article II: Peace at Your Gates, February 8, 2022, no more than 9 standing Supreme Court Justices, up holding their oath to God to protect and defend the 1787 U. S. Constitution against all enemies, Foreign and Domestic, shall continue protecting and defending the 1787 U. S. Constriction, as the Judicial Branch of the 2021

Third Continental Congress , during the forming of the Second Constitutional Republic of The United States of America.

I respectfully request the Honorable 9 standing Supreme Court Judges render a decision on the Brunson v. Alma S. Adams, et al, Case No. 22-380 and legally and respectively terminate the bankrupt United States of America, INC and bankrupt 1871 District of Columbia, INC. By the Grace of God, beginning at 12 Noon Central Standard Time on March 4, 2023, the First Session of the 2021 Third Continental Congress shall be sworn-in to assure the security and economic stability of We the People of The United States of America, as defined by the 1876 US Constitution, until the Second Constitutional Republic of The United States of America is ratified by all 50 States.

**2021 Third Continental Congress
Carpenters' Hall
Philadelphia, Pennsylvania
January 19, 2023**

Greetings to all We The People of The United States of America:

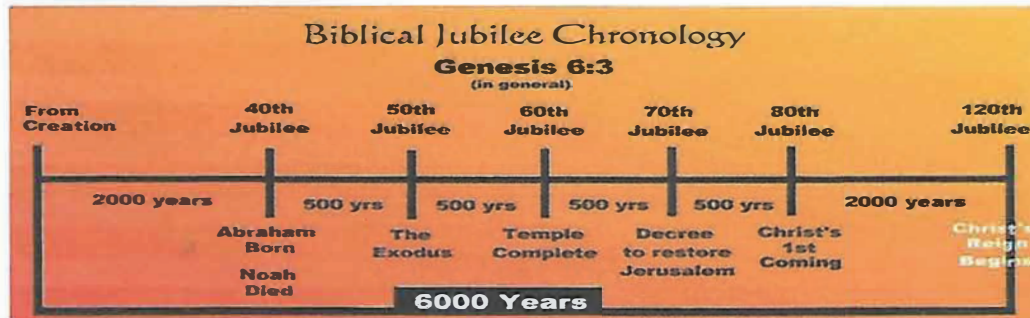

By the Grace of God, all We the People of The United States of America are hereby invited to join the Second Constitutional Republic of The United States of America, in accordance with the 1787 US Constitution and 1776 Declaration of Independence with 2021 Article I and 2022 Article II. The Third Continental Congress (TCC) was convened at Carpenters' Hall in Philadelphia, Pennsylvania on December 22, 2021.

The 2021 Third Continental Congress accepts the membership of the Honorable Arkansas Governor Sarah Huckabée Sanders, and four (4) vetted TCC State Congress representatives. The names of the 4 TCC State Congress representatives shall be submitted NLT February 9, 2023 for vetting. To the best of my knowledge, no TCC accepted member is named in the Supreme Court Case No. 22-380: Brunson v. Alma S. Adams, et al.

On March 4th, 2023, the Swearing-in Ceremony for the 1st Session of the 2021 Third Continental Congress' 50 Governors and 200 Third Continental Congress State Representatives is scheduled to be in Fairhope, Alabama, on the Bay of the Holy Spirit.

The Feast of the Jubilee is biblical. As one can see on the chart, Christ's Reign Begins on the last day of the 50th year of the 120th Jubilee (precisely on December 22, 2022).

In the Bay of the Holy Spirit (Mobile Bay), we have always had Jubilees (also in Tokyo Bay).

Praise God for His gifts of Life, Liberty, and the Pursuit of Happiness to all Mankind.

Letter to the Truthers;

I know none of the "Truthers" will talk to me, because I am labeled a "Black Hat" fraud. But, that is just another way to separate us from knowing God's plan - Genesis 6:3, Daniel 2:35, and Book of Juan O'Savin, The Magador. In the last hours before Christ starts His 1000 years of peace, there are only God's Prophets, like Julie Green and me, Disciples of Christ, like Juan O'Savin and Satan and his dominions.

Like the Holy Bible, the book, "The Story of Our Life, Based on A True Life." is a history book not a story book. I have added proof that God wants His Disciples to tell His children of America, how to claim what has been stolen from them since 1915.

I went to www.piisthree.com and www.piis3.com, scrolled down to "Our Product" , clicked on "FREE ebook", download Free ebook, Printed pages 114,115, and 116, estimated how much money was stolen from my family since 1915 times 10 = \$8,250,000.00, completed form documentation, follow mailing instructions in red on page 116.

I mailed my altered IRS 1040-SR to: U. S. Department of the Treasury, National Payment Integrity and Resolution Center and CBE Group, Inc. (IRS Private tax collection agent). I received a Form 1099-INT from Department of the Treasury, Internal Revenue Service, Memphis, TN 37501, for Calendar Year 2022, Total Interest Paid or Credited: \$168.12.

I did not turn in a 2021 IRS 1040 or w2 form, therefore the IRS is responding to the altered IRS 1040-SR I submitted to National Payment Integrity and Resolution Center. Therefore, this is the IRS's resolution to my altered IRS 1040-SR. The address title of the IRS is Department of the Treasury, is not the same as U.S. Department of Treasury. The "Treasury" (i. e. Federal Reserve Bank, Central Banks) in the Department of the Treasury, is the Treasury of the United Nations, INC. Congress sign a 2018 bill to turn the US Office of Personnel Management over to the Secretary of State of the United Nations, INC.

When the Federal Reserve Bank's assets were put under the US Department of Treasury the United Nations, INC Treasury is EMPTY. Therefore, the debts of the Bankrupt USA, INC and Bankrupt DC INC have not been paid since October 1, 2022.

Since December 22, 2021, the US Constitutional Military, through the Third Continental Congress' 1787 US Constitution Commander in Chief President Donald J. Trump and the US Department of the Treasury, have been paying the US Office of Personnel Management employees and retirees.

All Disciples of Christ, please inform all We the People of The United States of America about the March 4, 2023 Swearing-in Ceremony of the 1st Session of the Third Continental Congress and how to claim the money that has been stolen from their families.

God has Blessed America, again.

Final Testament – Rise of the Holy Spirit.

Our Lord Jesus Christ was born at the start of the 80th Jubilee December 22, 0000 just after midnight 00:00:00+. The end of the 120th Jubilee (6,022 years since God's Creation of Adam) (Genesis 6:3) was on December 21, 2022 at 24:00:00. The 2022th birthday of Our Lord Jesus Christ, on December 22, 2022 at 00:00.00+, marks the start of the 1st Positive (+) Jubilee of the Final Testament – Rise of the Holy Spirit.

I must apologize to Sir Isaac Newton for the uneducated statements I made in my book about him and his life's work. Sir Newton and I had three things in common; 1. We are just men of science that knew God is real and the Holy Bible is the written words of God. When the Holy Bible is decoded, it reveals the true Quantum mathematica, astrology, Quantum Computers and software and physics of God's creations. Sir Isacc Newton sums up what I am saying in his two books: ****"Philosophiae Naturalis Principia Mathematica." In short, my perception of Newton's Calculus, as a lie or evil was wrong. Because, God wanted Satan and his dominions to think Newton's Calculus, as I point out in my book, was their means to rule over and destroy God's Creations through their creations; digital computers and Blockchain Quantum computers. They were wrong: God's Holy Bible WON!; 2. Both Sir Isaac Newton and I both came to the same conclusion, the Holy Bible recorded the True Advanced Technology that existed during the days of Moses and Noah. Sir Isaac Newton, Dr. Albert Einstein and Nikola Tesla were geniuses. However, most importantly they were profits in their days that 100% followed God's will through their Faith. Faith in God's will and Our Lord Jesus Christ is what we four guys have in common. and; 3. Our mothers do not understand us and God's plan for our life's contributions to Humanity. My mother thinks I am crazy.

Final Testament - Rise of the Holy Spirit

Revelation 20:2-7 ESV

The Thousand Years Reign of Our Lord Jesus Christ 20
Then I saw an angel coming down from heaven, holding in his hand the key to the bottomless pit[a] and a great chain. 2 And he seized the dragon, that ancient serpent, who is the devil and Satan, and bound him for a thousand years, 3 and threw him into the pit, and shut it and sealed it over him, so that he might not deceive the nations any longer, until the thousand years were ended. After that he must be released for a little while. Please go to www.piis-three.com or www.piis3.com and watch the videos.
